RE: Verizon Wireless Rooftop Facility – Hopper AWS
Site Located at: 23586 Calabasas Road, Suite 204, Calabasas, CA 12302

To Whom It May Concern,

This letter is to show Verizon Wireless' willingness to allow other wireless carriers to collocate on our existing rooftop wireless telecommunications facility when it is technically/economically feasible and would not harm community compatibility or interfere with Verizon Wireless' existing equipment or adjacent uses.

Sincerely,

Cathy Beagle
Real Estate Engineer III
