Leave the summer heat of the Valley as we depart for Long Beach with its cool ocean breezes and amazing Aquarium. We will be on our own to explore the many magnificent exhibits, with every colorful sea creatures you can imagine and beyond. There are special shows and demonstrations throughout the day which we will be sure not to miss. Most of the enclosures are inside, but bring a hat and sunscreen since you will want to take advantage of the outdoor shows as well. We will stay with the marine theme when we have lunch, on your own, at Bubba Gump Shrimp Co. after our adventure.
