

CITY of CALABASAS
CITY COUNCIL AGENDA REPORT

DATE: APRIL 12, 2017

TO: HONORABLE MAYOR AND COUNCILMEMBERS

FROM:  ROBERT YALDA, P.E., T.E., PUBLIC WORKS DIRECTOR / CITY ENGINEER
TATIANA HOLDEN, P.E., SENIOR CIVIL ENGINEER

SUBJECT: RECOMMENDATION TO APPROVE A PROFESSIONAL SERVICES AGREEMENT FOR \$75,500 WITH KIER & WRIGHT CIVIL ENGINEERS AND SURVEYORS, INC. FOR THE LOST HILLS INTERCHANGE/US 101 DESIGN SUPPORT DURING CONSTRUCTION

MEETING

DATE: APRIL 26, 2017

SUMMARY RECOMMENDATION:

Staff recommends City Council approve a professional services agreement with Kier and Wright Civil Engineers and Surveyors, Inc. in amount not to exceed \$75,500 for the Lost Hills Interchange/US 101 Design Support During Construction.

DISCUSSION/ANALYSIS:

Kier & Wright Civil Engineers and Surveyors, Inc. employs the primary engineer for the project, who previously worked with Huitt-Zollars, the consultants the City hired to design the bridge. He and the firm have been providing design support since the beginning of construction. The original contact was approved by the City Council at the March 11, 2015 meeting.

As construction of the project continues, the City needs to retain Kier & Wright Civil Engineers and Surveyors, Inc. for design support. The consultant submitted a

proposal for providing services until completion of the project. The scope of work for the Lost Hills Interchange project remains the same as in the original contract and includes performing design support, responding to requests for information, preparing delta revisions, creating as-built drawings of the project and other construction support, on an as needed basis.

A new Professional Service Agreement for \$75,500 is included in Exhibit A.

FISCAL IMPACT/SOURCE OF FUNDING:

The Lost Hills Interchange/US 101 Design Support Project is covered by the Los Angeles County for Measure R.

REQUESTED ACTION:

Staff recommends City Council approve a professional services agreement with Kier and Wright Civil Engineers and Surveyors, Inc. in amount not to exceed \$75,500 for the Lost Hills Interchange/US 101 Design Support During Construction.
