TO: MEMBERS OF THE PUBLIC SAFETY COMMISSION

**FROM: JIM JORDAN, DIRECTOR OF PUBLIC SAFETY & EMERGENCY
 PREPAREDNESS
 DEBBIE LARSON, PUBLIC SAFETY COORDINATOR**

SUBJECT: CERP ACTIVITY REPORT

MEETING OCTOBER 24, 2016
DATE:

CALABASAS EMERGENCY RESPONSE PROGRAM (CERP) ACTIVITY REPORT

Training & Activities

CERT

A CERT class will be held March/April 2017.

Shakeout Earthquake Drill

The annual earthquake drill was held at City Hall on October 20. For more information on the earthquake safety, go to: <http://www.shakeout.org/california/>. Participating is a great way for your family to be prepared to survive and recover quickly from big earthquakes– wherever you live, work, or travel.

A short video will be shown which highlights Calabasas residents sharing their experiences and thoughts on earthquakes and other disasters.

Ham Radio Class

The ham radio class and exam for the Technician License was held on Sunday October 16, at the Agoura Hills/Calabasas Community Center – there were 36 participants (one from Calabasas) who passed the exam.

The follow-up classes were/will be held Sunday (10/23 & 10/30) from 9:00 am to noon at the Lost Hills Sheriff's Station. Students will learn about what radios can do, what's new in the market, how to program your radio from the keyboard, what antennas and other accessories they might need, and will include various demonstrations.

For more information or registration, please contact Norm Goodkin at 818.222.7893 or HamClass@Goodkin.net or <http://HamClass.goodkin.net>

The next 1-day Tech class will be January 22, 2017 at the Agoura Hills/Calabasas Community Center.
