

CITY of CALABASAS

May 2016

CALABASAS RD. RESURFACING PROJECT

NOTICE OF ROAD WORK

The City of Calabasas will be resurfacing *Calabasas Rd.* from *Mureau Rd.* to the *US101 On-Off Ramps*, per the project's schedule, work on this project is expected to begin on May 12, 2016 and end no later than May 27, 2016. Working hours will be from *7am to 4pm*, and work includes crack sealing, asphalt cold-milling and asphalt rubberized hot mix (ARHM) overlay, removals and reconstruction of pavement sections, micro-surfacing/slurry of existing pavement and striping.

Calabasas Rd. Resurfacing project will have a duration of 12 working days and will have various phases of construction. *Phase 1* will be crack sealing within the project limits. *Phase 2* will be set from *Mureau Rd* to end of the *Auto Gallery* dealership. *Phase 3* will be from the previously *Sperling Nursery* to the first driveway of the *Mini Cooper* dealership. *Phase 4* will micro-surface/slurry the remaining asphalt within the project limits. The contractor will provide access to driveways during construction and the roadway will be open after work hours.

While the project is in progress, temporary "No Parking" signs may be posted on the streets. Please have all vehicles removed from the street to protect them from damage by construction debris and to prevent interference with construction. Please keep in mind that business deliveries can be affected and/or delayed due to construction, please arrange appropriately. In case of inclement weather, it may be necessary to reschedule the contractor's operation. You will be notified of any possible delays and the revised completion date.

Please remind all to be **careful**, especially at nighttime, and avoid the work-site area and equipment. **PLEASE DRIVE SAFELY** and be aware for uneven pavement and debris. Your cooperation and patience are appreciated during the construction period and will be rewarded by a renewed, longer serviceable road surface. More information shall be available on the City's website: www.cityofcalabasas.com

For questions or comments, please contact (818) 224-1676 or bsalguero@cityofcalabasas.com

Sincerely,

Robert Yalda, P.E., T.E.
Public Works Director/City Engineer
Department of Public Works
