
Memorandum

TO: MARTIN MORENO, LOS ANGELES COUNTY
GARY EWELL, LOS ANGELES COUNTY

FROM: ROBERT YALDA, PUBLIC WORKS DIRECTOR

DATE: 20 August 2012

SUBJECT: CALABASAS SEWER UPGRADE PROJECT – SCHOOL YEAR PREPERATION

With the start of the school year upon us, the City would like to emphasize some the of the items discussed in earlier conversations with County staff that will help ensure maximum safety and limit disruption to our residents during those critical first few weeks of our local schools being back in session.

As noted:

- 1) All work performed after August 21, 2012 shall be between the hours of 9:00 a.m. and 2:30 p.m. per Specification Section 6-1.1.1.iii;
- 2) the contractor cannot use the shoulder between Paul Revere Drive and Parched Drive as a staging area per the City's email dated August 15, 2012;
- 3) a link will be provided directing inquiries to County staff;
- 4) and information signs will be posted at both ends of the project directing inquires to County staff.

A status of items 3 and 4 would be appreciated since the school year begins in two days. The City appreciates your efforts and looks forward to working with County staff for a smooth transition into the school year and the successful completion of this project.
