

Las Virgenes Creek Restoration Project—Phase II

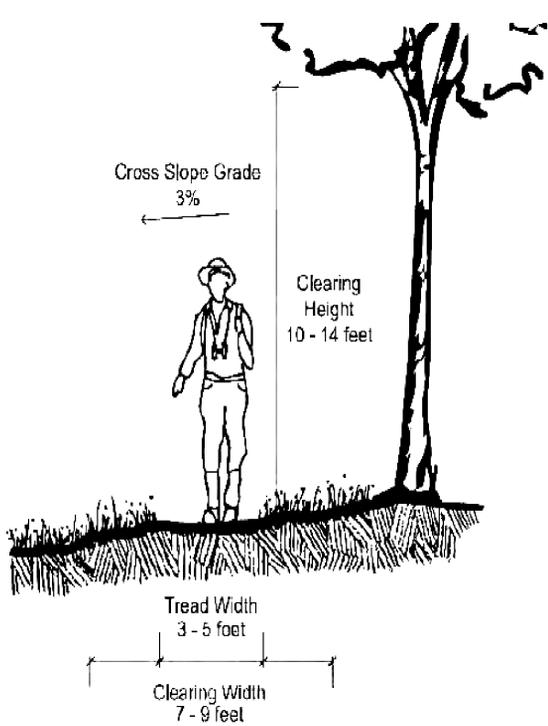

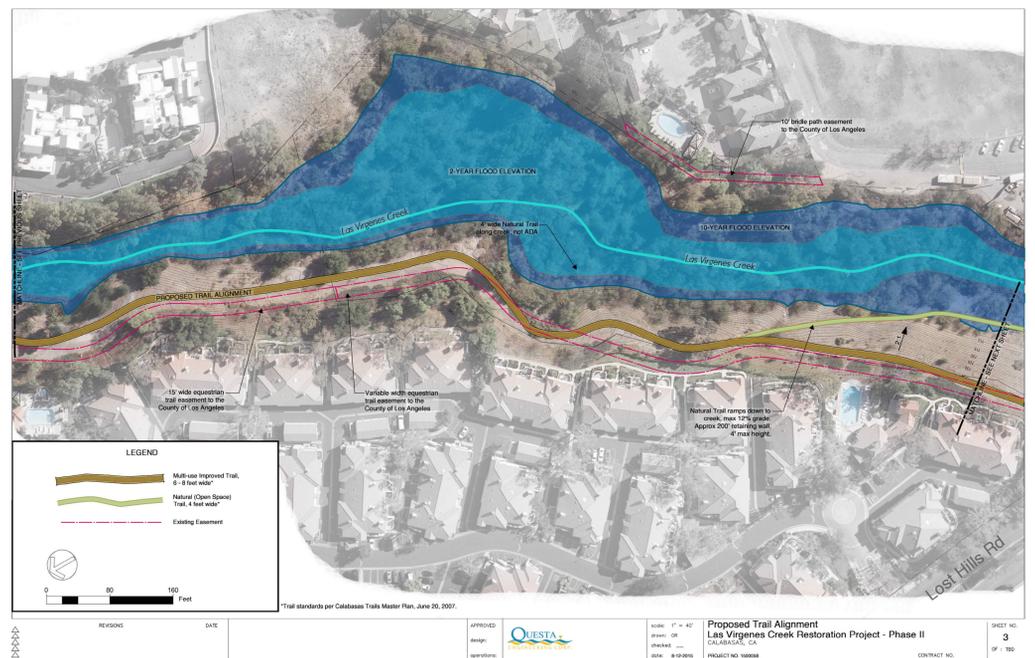

Multi-Purpose Community Trail

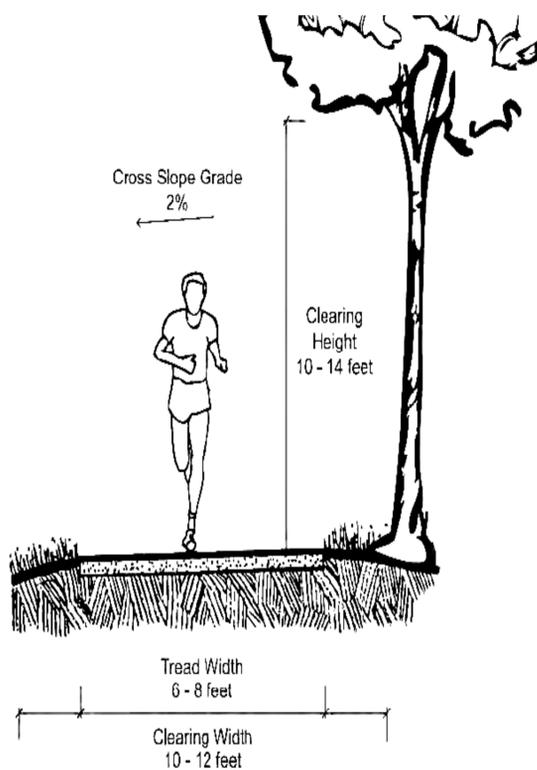

- Will be accessible from Agoura Road and connect with exiting trail from Phase I of the project.
- Will be ADA accessible and compliant.
- Will feature various educational amenities throughout its length.
- Ends at de Anza Park.

Multi-Purpose Community Trail

- Accessible via several connections throughout, including at A.E. Wright Middle School Bridge.
- Also features a second natural trail closer to the creek bed at through portions of the creek's length
- Features overlook areas with picnic tables, benches, and interpretive signs.

NATURAL (OPEN SPACE) TRAIL

IMPROVED TRAIL

- Privacy to adjacent neighbors would be given with the addition of trees and hedges
