Re: AT&T Mobility, 4937 Las Virgenes Road  
Calabasas, CA 91302

APN: 2064-001-027  
LAC053 LTE Modifications

To Whom It May Concern,

This letter is to show AT&T's good faith effort to locate the proposed facility in the least intrusive location. The proposed modification is located on an already existing rooftop facility which is screened from public view. This facility and its proposed modifications would not interfere with the surrounding business park uses.

Thank you,
