**RE: Sprint Site No. LA03XC198
24900 Calabasas Road, Calabasas, CA 91302
2.5 GHz Upgrade**

Dear Sir or Madam,

This responds to your request regarding the proposed Sprint wireless telecommunications project referenced above.

Sprint designs, constructs and operates its wireless telecommunications facilities to comply with the Federal Communications Commission rules and regulations related to RF exposure to humans.

You can learn more about the FCC rules and regulations specifically pertaining to RF emissions by visiting the FCC website: www.fcc.gov/oet/rfsafety.

If you have any questions, please call me directly.

Sincerely,

David Kirk
RF Engineer II

As required by Calabasas City, California, Code of Ordinances -- Chapter 17.12.050 (2) (e) -- Sprint affirms "under penalty of perjury, that the proposed installation will be FCC compliant, in that it will not cause members of the general public to be exposed to RF levels that exceed the MPE levels deemed safe by the FCC."
