Re: Letter of Authorization – SCE Light Pole # 4561848E located southwest of the intersection of North Parkway Calabasas and Comino Portal, Calabasas. Los Angeles County, CA. AT&T Site Number LA0420, (46818).

Southern California Edison Company (SCE) is the owner of the Light Pole, located southwest of the intersection of North Parkway Calabasas and Comino Portal, Calabasas. Los Angeles County, CA.

AT&T ("Carrier") has requested permission to make upgrades to the existing Custom Light Pole that is used for operating a wireless communications facility ("Site"). I have reviewed Carrier's preliminary plans for this Site and believe these plans are compatible with SCE's use of this Light Pole. Thus, as a representative of SCE, I hereby authorize Carrier, and its representatives, to seek and secure all right(s), including any environmental review associated with granting such rights, that are needed from the City to use the Light Pole and other property for this purpose.

Notwithstanding this authorization, SCE reserves the right to reject Carrier's request for use of its Light Pole for any reason, including imposed conditions or required changes to the Site plans by the City are unacceptable to SCE.

All correspondence and/or notices regarding use of SCE's Light Pole by Carrier, or any later requests by the Carrier for authorizations or approvals needed for construction, operation or maintenance of an approved Site, should include an SCE notice/copy list.

If you have any questions, please feel free to call me at (626) 543-8752.

Very truly yours,

Brian Ryan
