**RE: Verizon Wireless Rooftop Facility – Hopper AWS**  
**Site Located at: 23586 Calabasas Road, Suite 204, Calabasas, CA 12302**

To Whom It May Concern,

This letter is to show Verizon Wireless' willingness to allow other wireless carriers to collocate on our existing rooftop wireless telecommunications facility when it is technically/economically feasible and would not harm community compatibility or interfere with Verizon Wireless' existing equipment or adjacent uses.

Sincerely,

A handwritten signature in cursive script that reads "Cathy Beagle".
