GENERAL PLAN CONSISTENCY REVIEW PROGRAM

TABLE OF CONTENTS

A. DEVELOPMENT/ENVIRONMENTAL REVIEW PROCESS	1
Resources/Cumulative Impacts Assessment Reports Site	
Specific Evaluation for Allowable Land Management Activities	1
Technical Reports Project-Specific Evaluation	8
B. GENERAL PLAN PERFORMANCE STANDARDS	10
Performance Standard for Hillside Development	20
Performance Standards for Biotic Resources	28
Air Quality Performance Standards	30
Resources Performance Standards	45
Erosion Control Performance Standards	47
Energy Conservation Performance Standards	48
Mineral Extraction Performance Standards	49
Solid Waste Management Performance Standards	49
Seismic and Geologic Hazards Management Performance Standards	50
Stormwater Management and Flooding Performance Standards	51
Fire Hazard Management Performance Standards	51
Crime Prevention Performance Standards	52
Noise Management Performance Standards	54
Hazardous Materials Management Performance Standards	55
Disaster Response	58
Urban Design	58
Historical, Archaeological, and Paleontological Resources	69
Fiscally Responsible Development	71
Circulation and Transportation	72
Educational Facilities	77
Parks and Recreation	78
Municipal Services and Facilities	78
Quality of Life	79
Responsible Regionalism	81
