Council Resolution No. 2020-1672 do hereby issue the following order to become effective immediately:

IT IS HEREBY ORDERED THAT:

1. Expanded Face Coverings Requirement. Effective April 10, 2020, any person shopping or working at a grocery store, restaurant, or other essential business or service within the City of Calabasas shall wear a face covering while they are at the location. A face covering can include bandanas, scarves, or cloth masks which covers both the mouth and nose of an individual. Employers are required to provide, pay for, or reimburse their employees for face coverings as needed to protect their employees. Residents should not purchase N95 or surgical masks, as these are limited resources needed for the healthcare community and first responders. This is intended to protect employees, customers and residents.

- a.** A grocery store, restaurant, or other essential business may refuse admission or service to any individual who fails to wear a face covering as required by this order. All grocery stores, restaurants, or other essential businesses are further required to develop and implement a written, comprehensive COVID-19 exposure control plan, to be approved by the City within 3 days from the date of this Order, which includes control measures such as social distancing; face coverings and personal protective equipment, hygiene; decontamination procedures, and training. The City's Code Enforcement Officers are hereby empowered to enforce compliance with these requirements for all grocery stores, restaurants, or other essential businesses or services within the City of Calabasas.
- b.** Effective April 17, 2020, all persons, including essential workers, within the City of Calabasas shall wear a face covering while at any essential business or service and while outside their homes or places of residence for any reason, including traveling to or from an essential business or service. Persons driving or riding in a vehicle alone or only with other members of their household do not have to wear face coverings inside the vehicle, unless they lower their windows for any purpose, such as to interact with food service workers or other persons who are not members of their household. Persons walking or exercising outdoors in a manner in which a minimum of six feet physical distance is maintained from any other person who is not a member of their household do not have to wear face coverings, but must carry a face covering and wear it if they encounter any person who is not a member of their household.

2. Failure to comply with this Order shall constitute a misdemeanor subject to fines and imprisonment as provided for by applicable law, including Calabasas Municipal Code section 2.44.100. I hereby urge the Los Angeles County Sheriff's Department and the City Attorney to vigorously enforce this Order pursuant to law.

3. This Order shall be filed in the office of the City Clerk, posted at Juan de Anza Bautista Park, the Calabasas Tennis and Swim Center, Agoura Hills/Calabasas

Community Center, Gelson's Market, at Calabasas City Hall, and published in a local newspaper.

4. If any provision of this Order to the application thereof to any person or circumstance is held to be invalid, the remainder of the Order, including the application of such part or provision to other persons or circumstances, shall not be affected and shall continue in full force and effect. To this end, the provisions of this Order are severable.

SO ORDERED.
