

Support Local Businesses!

Usually at this time of year, Calabasas Library staff are reaching out to local businesses seeking donations for our annual Summer Reading Program. Many local businesses in the community have supported the Summer Reading Program for years by donating kids' meals and coupons to create reading incentives for our patrons.

If you love reading and supporting our local business community, please consider purchasing a gift card of any amount and mailing it to the Calabasas Library. (See contact details below).

These gift cards will be used not only to bolster sales at a time of great need, but also as a fun way to recognize readers of all ages participating in the Summer Reading Program. Any gift is both tax deductible and encourages our entire community to celebrate reading together.

If you own or manage a local business and would like to donate a gift card and be added to our sponsor list, please contact Karilyn Steward at ksteward@calabasaslibrary.org.

Send general questions about the program to Karilyn Steward at ksteward@calabasaslibrary.org.

Until August 2nd, register, read books (audios and e-books count) and earn points to be entered into drawings for gift cards at <https://calabasas.bookpoints.org/>.

Mail Gift Cards to:
Calabasas Library
