Vote YES on Measure J to address the disproportionate impact of racial injustice by prioritizing health, housing, youth development and jobs in low-income and underserved communities—with a particular focus on Black, Brown, and low-income communities.

Vote YES on Measure J to make sure that a minimum of 10% of EXISTING local county revenue is guaranteed to be invested in community safety, housing stability, and care.

Vote YES on Measure J because it is clear that now is the moment to re-imagine L.A. County and make sure our county government budget reflects our shared values and priorities.

Vote YES on Measure J to:

- Increase community based counseling and mental health services
- Prioritize restorative justice programs
- Expand job training and placement support
- Create housing that is affordable to working people
- Support small businesses
- Scale up mentoring and youth development programs

Vote YES to shift resources from the criminal justice system to programs proven to address the root causes of crime. Incarceration and punishment are ineffective at treating poverty, mental illness, and a lack of housing.

Vote YES on Measure J because it is fiscally responsible and holds our elected leaders accountable. This is NOT a new tax--instead it will gradually and responsibly phase in the 10% budget set aside of existing local revenues over a four-year period. The funding set aside could be paused by the Board of Supervisors in a fiscal emergency. The measure promotes transparency by requiring an annual budgeting process that is flexible, but with a clear framework of eligible and non-eligible uses.

In these unprecedented times, we need real, meaningful change. Vote YES on Measure J to prioritize health, housing, and economic investment in communities across L.A. County.
