Vote Yes on Measure J

For far too long our underserved and marginalized communities across L.A. County have been left out and left behind, with fatal public health consequences. Measure J will change this.

The lack of investment has driven higher levels of poverty and shorter life expectancy for Black, Brown and low-income people. The pandemic has made this inequity even more clear.

While voting YES on Measure J is about creating a more just and equitable future that reflects our shared values, the opponents of Measure J prefer to use fear tactics to maintain the broken status quo.

Over 100 organizations with a track record of fighting for justice, community investment, health and wellness say Yes on Measure J.

National Union of Healthcare Workers, Black Lives Matter L.A., Community Coalition, Frontline Wellness Network, UNITE HERE! Local 11, and many more have all called for bold and permanent action to improve public safety and prioritize our communities. Measure J does exactly that.

--YES on Measure J -- Increases public safety by funding programs that proactively address and treat the root causes of crime.

--YES on Measure J -- Increases public safety by funding mental health treatment and counseling.

--YES on Measure J -- Ensures that at least 10% of EXISTING County funds are fairly dispersed through a transparent, inclusive process for impacted communities-- rather than being allocated through backroom deals to campaign contributors.

Re-Imagine L.A. County, vote YES on Measure J.
