Dear Madam Mayor and City Councilpersons:

Subject: Valmar median improvement

I contacted you previously expressing my opinions on the Valmar median improvement project. I just reviewed the Staff report that will be presented at the September 23, 2020 meeting. The Staff's two design proposals seem to be very reasonable with one very minor comment. The annual maintenance costs seem to me to be higher than I would have guessed.

While I think that either of the two designs would look very nice, my first choice would be Exhibit B, the all succulent design.

I have one other related comment about the two roundabouts on Paul Revere Drive. I hope that, as part of this project, something can be done to improve the appearance and maintenance of them also.

Thank you for your consideration.

Bill Davis Sr.
