**LIBRARY COMISSION AGENDA REPORT**

---

**DATE: SEPTEMBER 25, 2020**  
**TO: LIBRARY COMMISSION**  
**FROM: KARILYN STEWARD, SENIOR LIBRARIAN**  
**SUBJECT: DIGITAL SERVICES UPDATE**  
**MEETING DATE: OCTOBER 5, 2020**

---

**BACKGROUND/DISCUSSION:**

Our digital services have changed in the past months and modifications will continue through the end of the year. Due to changes in ownership and content availability, the Calabasas Library no longer has RBdigital streaming video and Transparent Language.

Staff is working with Cloud Library to add more streaming video options by the end of the year. We continue to have Kanopy available with more content being added each month. We have added Mango Languages as an online language learning system and that is available now on the website and as an app. Eventually, the RBdigital e-books, downloadable audiobooks, magazines and comics will be switched over to Cloud Library. We hope to have that in place by January 2021.

**REQUESTED ACTION:**

This is an informational item only and requires no action.
