Discussion of Goals for  
FY 2019 – 2020 CLG Report

# Annual Goals Required

Every year Certified Local Governments (CLG) must establish their historic preservation goals for the year (specifically, the federal fiscal year).

At the conclusion of the year the CLGs must report on progress made toward those goals to the State Office of Historic Preservation.

As a designated CLG, Calabasas needs to establish its FY 2019 - 2020 goals.

# Potential Goals for Discussion

1. Conduct an update to the historic resources survey, concentrating on previously identified sites noted as having potential significance.

# Potential Goals for Discussion

2. Prepare a condition assessment of the Masson House, in preparation for future renovation.
3. Identify and pursue possible grant funding sources for renovation of the Masson House.
