Community Development Director
Re: Los Angeles County Department of Public Health
New Emergency Order dated 12/27/2020

We write to advise you of the extended and indefinite period for new Covid-19 Executive Orders in place as of December 27, 2020, as ordered by the Los Angeles County Public Health Officer due to the surge of cases in Los Angeles County. Calabasas is not immune to the virus; as of today, 668 cases of Covid-19 have been reported in the City, a disturbing 50% increase from 441 cases at the beginning of December.

It is against this backdrop that we again implore your HOA to be vigilant for any gathering or party taking place, especially New Year celebrations. In the past three weeks, numerous parties, some well into the hundreds, have occurred in defiance of the Health orders. City Code Enforcement Staff, in addition to the Los Angeles County's Lost Hills Sheriff's office, have responded and *will* take action to disperse the event. The order, which is found in the link below, continues to prohibit gatherings of any group of persons outside of a household; any gathering, either inside or outside, is prohibited. If you become aware of a gathering, please contact one of us immediately at:

Maureen Tamuri, Director: (818) 489-7908
Sparky Cohen, Building Official: (818) 606-2044
Gabe Endreola, Code Enforcement: (818) 518-3201

I hope the above information is of use to you in protecting your community. Again, our thanks for keeping your Calabasas community safe from virus spread. Our best wishes for a safe New Year to you all.

Sincerely,

Maureen Tamuri AIA, AICP
Community Development Director
