Ham Radio Licensing Class

Norm and Naomi Goodkin are continuing to offer ham radio classes online to the public. They offered an on-line ham class on Oct 21 and gained 22 new hams. They are having their next class on Feb 7th.

The closest they were to having new hams in Calabasas was one in West Hills and one in Topanga - the rest were further out - most in LA County, but one up in Oregon.

For more information or registration, please contact Norm Goodkin at 818.222.7893 or HamClass@Goodkin.net or <http://HamClass.goodkin.net>

CERP Radio Net & Other Activities

The regularly scheduled radio net is running smoothly on Wednesday's at 8:00 am. Ham's from Topanga and Hidden Hills continue to join in as guests.

Ron Perelman in Sector 5 has joined our CERP radio team!
