Re: Signs for upcoming West Village Planning Commission and City Council Meetings.

Planning Commission Meetings: April 15 and 21

City Council: May 12.

(Dates provided by Maureen Tamuri at February 18th Planning Commission meeting.)

I asked about signs at the previous Planning Commission and City Council meeting, I haven't heard back. The West Village Public hearing is now 6 weeks away and time is growing short. Public access to city hall, the community center, library and other public indoor areas in the city are not limited because of the Pandemic.

To help get the word out, this is to request that Calabasas use the same method it successfully uses to get the word out for other city events such as the Pumpkin Festival and July 4th Fireworks Celebration. Place a large 4ft x 8ft banner on the fence bordering the West Village property at Agoura Road and Las Virgenes Road intersection. Place a second large 4ft x 8ft banner at the Southbound 101 Freeway exit ramp for Valley Circle. As with other signs at that location position it on the southside of Calabasas Road facing the 101 Freeway exit ramp.

PUBLIC HEARING

WEST VILLAGE AT CALABASAS PROPOSED HEARING

DATE TIME: APRIL 15 & 21 AT 6 PM

ZOOM HEARING INFO: cityofcalabasas.com website

Please put this on the agenda so banners can be approved with adequate time to allow for making and installing the banners.

Attached is the sample of a banner made for the last Planning Commission Meeting by a resident. It is installed on another resident's van. It is easy to see and read. Thank you in advance for your help.

Sincerely,
