**DATE:** MARCH 23, 2021  
**TO:** MEMBERS OF THE LIBRARY COMMISSION  
**FROM:** KARILYN STEWARD, SENIOR LIBRARIAN *kw*  
**SUBJECT:** TECHNOLOGY SERVICES UPDATE  
**MEETING**  
**DATE:** APRIL 5, 2021

---

**BACKGROUND/DISCUSSION:**

The Library has added new digital services. cloudLibrary NewsStand is a digital magazine app to replace the RBdigital magazine service. Another service added is Library Pass-Comics Plus from cloudLibrary. This new app has a wide range of graphic novels for all ages.

Ancestry Library Edition and HeritageQuest are two new databases for genealogy research our patrons can use with their library card number.

An app is coming soon for patrons to use from Innovative Interfaces/Polaris, our integrated library system. Patrons will be able to find all our materials in one place and check out physical items from the app within the library. There are many other features that will be of help to our patrons.

**RECOMMENDED ACTION:**
