EDUCATION:

I culminated from Lupin Hill Elementary School in 2015 and culminated from A.E. Wright Middle School in 2018. I am currently enrolled at Calabasas High School and will be graduating in 2022.

CIVIC AFFILIATIONS:

I am the Commissioner of Publicity at Calabasas High School and a member of the board of the Mayor's Youth Council. As a part of my school's Associated Student Body, I work hard to promote the events that are going on and to find new ways to keep the student body engaged.

COMMUNITY INTERESTS:

Being a part of the Calabasas community has been a great experience. My interests include beautifying the city and bringing people together to celebrate our city's great traditions such as the Pumpkin and Earth Day Festivals. I also love utilizing the beautiful parks and hiking trails for more recreational activities because they can not be found anywhere else in LA.

PLEASE GIVE A BRIEF STATEMENT AS TO WHY YOU ARE INTERESTED IN SERVING ON THIS COMMISSION OR BOARD:

I am committed to the City of Calabasas and have been for all of my life. I am particularly interested in serving on the Parks, Recreation, and Education Commission because I believe that Calabasas's natural landscapes, recreational parks, and facilities are an integral part of this amazing city. They serve as areas for members of the community to come together and celebrate amazing traditions, but they are also places where kids and families grow up. Living so close to De Anza Park and the Calabasas dog park has been one of the best parts of growing up and I want to make sure that others have that same experience. I also have a passion for environmental sustainability and I want to extend that passion to this commission by sharing ways that our parks and facilities can remain beautiful, but also clean and efficient. COVID-19 has presented challenges that nobody could have foreseen but it has also forced the city to be adaptable, which I believe is a character trait that I possess. Being a part of this commission will help me understand community programming better which will, in turn, allow me to be a better leader for the future generations of Calabasas residents.
