

ORDINANCE NO. 2015-325

AN ORDINANCE OF THE CITY OF CALABASAS, CALIFORNIA TO PROTECT OPEN SPACE IN THE CITY BY REQUIRING VOTER APPROVAL OF ANY REDESIGNATION OF LANDS DESIGNATED AS OPEN SPACE IN THE CALABASAS GENERAL PLAN AND AMENDING THE CALABASAS MUNICIPAL CODE.

THE PEOPLE OF THE CITY OF CALABASAS DO ORDAIN AS FOLLOWS:

SECTION 1. PURPOSE AND FINDINGS

The purpose of this ordinance is to protect, preserve and enhance the existing open space in the City of Calabasas. The People of the City of Calabasas hereby find that the remaining areas of open space in the City are a precious resource in an increasingly urban society. The prevalence of open space in Calabasas contributes greatly to the quality of life of the community. Accordingly, the objectives of this ordinance are:

- (a) To preserve open space in the City, and to allow only such low-intensity uses of such land as are consistent with the General Plan, applicable Specific Plans and the City's zoning ordinance.
- (b) To encourage the preservation of natural resources, agriculture, and private and public outdoor recreational uses permitted in open space areas by State and local law;
- (c) To maintain the character of the City;
- (d) To reserve to the voters of the City the ultimate determination whether open space land should be converted to other uses.

The People of Calabasas hereby find that the preservation of existing open space in the City and open space acquired or designated in the future is necessary to protect the quality of life in the City. As undeveloped land becomes scarcer, urban encroachment into remaining open space areas constitutes a threat to the public health, safety and welfare. This Ordinance serves the goals, policies and objectives of the General Plan relating to the preservation of open space by requiring voter approval before any land designated for open space use is redesignated for another use. The adoption of this measure is intended to be consistent with *DeVita v. County of Napa* (1995) 9 Cal.4th 763.

SECTION 2. AMENDMENT, VOTER APPROVAL

17.16.030 - Voter approval required for redesignation of open space for non-open space use.

A. Voter approval required as follows:

1. No amendment to the General Plan or any specific plan that would redesignate for non-open space use of any property in the city designated OS-R or OS-RP by the Land Use Map of the Calabasas General Plan, adopted on December 10, 2008 by Resolution Number 2008-1159 shall be effective for any purpose until that amendment has been approved by two-thirds of the voters of the city casting votes on the question. Prior to the placement of such amendment on the ballot, the city shall follow the procedures required by local, state, and federal law, including the California Environmental Quality Act, Public Resources Code Sections 21000 et seq. f. Such an amendment may take effect only upon two-thirds approval of those casting votes on the question.
2. No amendment to the General Plan or any specific plan that would redesignate for non-open space use any property in the city designated PF-R by the Land Use Map of the Calabasas General Plan, adopted on December 10, 2008 by Resolution Number 2008-1159 shall be effective for any purpose without compliance with the applicable requirements of California law related to the protection of park lands, including Government Code Sections 25550.7, 37111, 37111.1, 38440 through 38462, 38501 through 38510 and Public Resources Code Sections 5400 et seq. If any future amendment of these sections reduce or eliminate requirements for a supermajority council vote or for a vote of the city's electorate, then such supermajority council vote or vote of the electorate shall continue to be required for the redesignation for non-open space use of property in the city designated PF-R.

B. Subsection (A) of this section shall not apply to:

1. Amendments determined by the council, on the advice of the city attorney, to be necessary to avoid an unconstitutional taking of private property or otherwise required by law;
2. Reorganization, renumbering or updating elements of the General Plan in accordance with state law, provided that such actions do not reduce the property designated OS-R, OS-RP, and PF-R; or

3. Amendments which facilitate any of the following land uses: uses permitted in the PF land use district; uses in support of open space uses such as bus shelters, parking facilities, and comfort stations; and public utility facilities (e.g., antennae and pipelines).

C. Any land designated OS-R, OS-RP or PF-R after July 20, 2005 shall become subject to the requirements of this section upon such designation.
