PARKS, RECREATION & EDUCATION COMMISSION AGENDA REPORT

DATE: JUNE 9, 2021

TO: PARKS, RECREATION AND EDUCATION COMMISSIONERS

FROM: MARTY HALL, ACTING DIRECTOR OF COMMUNITY SERVICES

SUBJECT: SELECT DATE FOR COMMISSIONERS AND STAFF TO TOUR THE CITY'S PARKS AND RECREATION FACILITIES

MEETING DATE: JUNE 14, 2021

SUMMARY RECOMMENDATION:

Select Date for the Parks, Recreation and Education (PRE) Commissioners to tour the City of Calabasas Parks and Facilities with Staff

BACKGROUND:

Since the Woolsey Fire in November 2018 through to present, there have been changes to the City's parks and facilities. Touring the parks together as the (PRE) Commission with staff will provide a platform for discussion and brainstorming with regard to implementing adjustments if needed in our programming and in park use. Future possibilities may be considered.

DISCUSSION/ANALYSIS:

A tour with the Parks, Recreation and Education Commissioners and Staff will afford the Commission an opportunity to evaluate all aspects in serving the community at the highest level. Staff will guide the Commissioners around each park and facility to indicate new additions or upgrades, large or small. Playgrounds at the parks will be assessed. Staff can point out where specifically the programs offered throughout the year take place, and this will give Staff an opportunity to reacquaint the Commissioners with the facility's use and operations.

The following parks and facilities will be visited on the tour as we make our way in the City's Shuttle:

- ❖ Creekside Park
- ❖ Calabazas Bark Park
- ❖ Gates Canyon
- ❖ Grape Arbor
- ❖ Juan Batista de Anza Park
- ❖ Tennis & Swim Center
- ❖ Wild Walnut Park

REQUESTED ACTION:

To establish a date when the Parks, Recreation and Education Commissioners will take a tour of the City's parks and facilities with Staff.
