

Copy Cat “Lush Shimmy Shimmer” Lotion Bar

Ingredients:

- 1/2 pound of Beeswax (8oz)
- 1/2 cup Almond Oil
- 1/2 cup Coconut Oil
- 1/2 -1 tsp [Gold Shimmer Make Up Grade Mica powder](#) (optional)
- 0.5 oz of your favorite Essential Oil (300 drops) [there are 250 drops in one 15 ml bottle of essential oil]/ OR *I used 3 teaspoons of a less expensive lavender Oil (still therapeutic grade).*

I decided to cut the recipe in half and ended up with about 10 small massage bars.

Instructions:

1. Melt the beeswax in a double boiler. If you don't have a double boiler, fill a large pot with water and then stack another pot on top of the pot with water.
2. When the beeswax has melted, add the other ingredients. Use a cupcake pan or silicone mold and pour the mixture into the mold and let it sit in the freezer overnight.
