

CITY of CALABASAS

Downloadable music - hoopla

We now have hoopla media service for downloadable music. It includes many genres, with current and popular artists.

Download the app on the App Store or Google Play. If you are using your laptop/computer go to <https://www.hoopladigital.com/>.

To log in, enter your email address and pick a password of your choice. It will ask you for your Calabasas Library card number. You need to have a City of Calabasas Library card in good standing.

You do not need to use your pin as with Cloud Library.

If you already have hoopla, go to Settings, which depending on your device is under My hoopla or on the bottom right. Make sure you have Calabasas Library as your library and put in your library card number.

You have 10 credits to use per month for ALL types of formats on hoopla. When they are gone, you have to wait for the next month.

Checkouts for music are for seven days to download and listen.

If you need help, please email Karilyn Steward at ksteward@calabasaslibrary.org.
