

CITY of CALABASAS
CITY COUNCIL AGENDA REPORT

DATE: NOVEMBER 16, 2021

TO: HONORABLE MAYOR AND COUNCILMEMBERS

FROM: MARICELA HERNANDEZ, CITY CLERK, MMC, CPMC

SUBJECT: CITY COUNCIL REAFFIRMATION OF LETTERS TO CALIFORNIA CITIZENS REDISTRICTING COMMISSION AND LOS ANGELES COUNTY CITIZENS REDISTRICTING COMMISSION

MEETING DATE: DECEMBER 1, 2021

SUMMARY RECOMMENDATION:

Staff recommends the City Council reaffirm letters sent to the California Citizens Redistricting Commission (CCRC) and the Los Angeles County Citizens Redistricting Commission (LACCRC).

REPORT:

At the November 10 meeting, the City Council approved a letter from Mayor Bozajian to the California Citizens Redistricting Commission opposing the then current visualization maps. While the Council meeting was taking place, the CCRC released a total different set of maps. Hence, the letter previously approved by the Council was no longer doable. Staff worked with Mayor Bozajian on a different letter, which was distributed to the CCRC. In addition, the LACCRC released a different set of maps. Therefore, a letter was also prepared for Mayor Bozajian's signature and sent to the LACCRC. These two letters require reaffirmation by the City Council.

RECOMMENDATION:

That the City Council reaffirm letters sent to the California Citizens Redistricting Commission (CCRC) and the Los Angeles County Citizens Redistricting Commission (LACCRC).
