BY: YADIRA ZIMMERMAN, EXECUTIVE ASSISTANT

SUBJECT: CABLE FRANCHISE FEES REPORT

MEETING DATE: FEBRUARY 15, 2022

BACKGROUND:

Charter pays a franchise fee of 5% of gross revenues. Charter also is currently paying an EG fee of 1% of gross revenues. Both fees are paid quarterly. The fees are based on actual revenue.

The Charter (previously Time Warner) cable franchises pay a 5% franchise fee to the City on a quarterly basis along with a quarterly 2% EG fee. The fees are based on actual revenue.

DISCUSSION/ANALYSIS:

The City receives payment on a quarterly basis (March, June, September & December). Therefore, the franchise fee report is presented on a quarterly basis.

All cable franchises are pending and the Commission was updated at the January 18, 2022 meeting.

The franchise fee information provided by Charter Communications are confidential and proprietary. The 4th quarter report will be provided to the Commission in a future 2022 meeting, but will not be made public.
