I am a 33 resident of Calabasas, and have always been interested in the history of Calabasas -- Portola's passage through Calabasas, Leonis Adobe back to its origins and as last lived in by the Carradine family, old town Calabasas, bird streets as artist colony and early residential community, oak trees still with us that predate this history, and the Native American Indian history that preceded all of the foregoing. I am a strong supporter of preserving and contextualizing representative elements of this history for the education and enjoyment of present and future generations.
