5. Please select the top 3 Environmental Leadership projects or initiatives that you would like the City of Calabasas to accomplish:

Answered: 293 Skipped: 0 Left Blank: 17

ANSWER CHOICES	RESPONSES	
Identify potential real property acquisitions for the purposes of future parkland or open space designation.	31.84%	235
Update CMC 17.34 to either current LEED or California Green Building Code standards.	9.89%	73
Educate residents of State's new food waste requirements through informational campaigns. Work with WM to coordinate waste programs for residents.	16.80%	124
Hire a consultant to coordinate the development of a Climate Action Plan.	11.11%	82
Develop a Water Resilience Plan outlining strategies to increase the City's drought preparedness , local water self-reliance, and planting of native vegetation (including milkweed for Monarch Butterfly habitats).	30.35%	224
TOTAL		738 (293 answered)

6. Comments

Answered: 35 Skipped: 0 Left Blank: 275

Too many neighbors in the community are still watering their lawns as though we are fully out of the drought. We should have better initiatives to convert more gardens to desert-tolerant plants. More family parks would be nice, as well.

03/16/2022 9:33 PM

Hire a consultant to review the licensing agreement at Creekside Park and then resubmit another one designed to provide access to the park and coexist with the preschool.

03/16/2022 7:06 PM

Create a Tree Board to support tree maintenance and other aspects of landscaping policies.

03/16/2022 6:45 PM

This is it. I believe the over reach in building regulations is insane. Realistic is the way to be.

03/16/2022 7:40 AM

What about protecting our open land and wildlife?

03/15/2022 2:22 PM

The others are of no real interest, honestly.

03/15/2022 1:41 PM

As part of the climate action plan, please research the implementation of city wide bike lanes and the traffic impact of eliminating a variety of number of car trips per week.

03/15/2022 12:20 PM

More public cameras.

03/15/2022 11:45 AM

Beautification of our non-gated neighborhoods is a priority for me. Examples include a low retaining wall along the Lupin Hill School hills on Parkmor and Adamor to prevent frequent small landslides onto the sidewalk & signage announcing neighborhood

03/11/2022 12:33 PM

The City should only advocate for residents and take action that beautifies the city. Negotiate water prices, if that is possible, plant attractive plants that will make the city common areas look good, keep up parks.

03/10/2022 3:21 PM

None

03/10/2022 2:33 PM

I think these are all silly.

03/09/2022 7:33 PM

Is there money for these projects?

03/09/2022 2:33 PM

As I stated at our last Commission meeting, the 2nd and 3rd options are more action items than strategic projects.

03/09/2022 9:21 AM

I didn't think any of these were needed. But if I had to vote for one it would be the last one and I would actually vote against any of the others. Stop looking for ways to spend money.

03/08/2022 4:44 PM

Updating CMC 17.34 seems like something the City must comply with - it should be done regardless.

Climate Action Plan: if a grant writer is hired and funding is available, this should include financial assistance to residents for hardening homes.

03/08/2022 1:39 PM

No more developments! More designated parkland.

03/08/2022 11:45 AM

Consider copying the Climate Action Plan of Agoura Hills or other cities to minimize costs. They have to be similar.

03/07/2022 9:03 PM

Part of the Climate Action Plan should include the City's approach to the environmental impact of plant-based diets and promotion of plant-based establishments, as well as businesses with a green emphasis.

03/07/2022 8:14 PM

I would like to see emphasis on fire safety and a true evacuation plan for the citizens. From what I understand there is none at this point

03/07/2022 7:25 PM

Based on my experience with my HOA, WM is slow to respond about compost bins and residents aren't informed.

03/07/2022 6:37 PM

not great choices

03/07/2022 4:56 PM

PRESERVE AS MUCH OPEN SPACE AS POSSIBLE!!!

03/07/2022 1:22 PM

Would hope that the City can learn from the Climate Action work that has been done by organizations for which the City is a member as well as from other cities--This would save funding to hire a consultant

03/07/2022 11:16 AM

State can perform the informational campaign on the new waste program. So can the waste hauler. We do not need to spend money on this at this time. Same with the climate plan, State can perform this, so our money can go to other objectives.

03/07/2022 9:06 AM

finish the walnut creek dog park.

03/06/2022 10:45 PM

Maintaining open space should be the overall priority in order to increase and protect the quality of life in Calabasas.

03/05/2022 8:11 AM

I believe the identification of real property should be in the purview of the Community Planning Director. The Waste Management company is the appropriate entity to educate residents. Detailed info should be included with their bill and on their web

03/05/2022 8:01 AM

the other 3 I did not check are a waste of time and money

03/04/2022 5:39 PM

Climate consultant 😞 waste of money

03/04/2022 4:34 PM

I was torn between #3 & #5. Water however is a now must objective.

03/04/2022 4:16 PM

Educating residents about new food waste requirements is very important, and I think it should be included in the Climate Action Plan rather than by itself, as it will reduce the release of greenhouse gasses.

03/04/2022 12:35 PM

The hired consultant would initiate a "close business doors" policy for HOT days. (eg: so they are not "propped open" and air-conditioning cooling outside areas.

03/04/2022 12:32 PM

We should retain a qualified indoor air expert and update code to require updating buildings to standards that achieve acceptable indoor air quality, as a control measure for infectious disease and protection from toxics (indoor and outdoor/ambient).

03/04/2022 11:50 AM

None of these are important to the safety & maintaining infrastructure

03/04/2022 11:34 AM

7. Please select the top 3 Fiscal Resiliency projects or initiatives that you would like the City of Calabasas to accomplish:

Answered: 279 Skipped: 0 Left Blank: 31

ANSWER CHOICES	RESPONSES	
Establish deferred maintenance accounts, including a policy to adequately fund during the annual budget process.	26.73%	178
Hire an employee to seek, write, and administer grants.	15.32%	102
Create an economic development plan to attract businesses, fill vacant properties, and promote advantages of conducting business in Calabasas.	30.48%	203
Create a General Fund reserve policy.	27.48%	183
TOTAL		666 (279 answered)

8. Comments

Answered: 20 Skipped: 0 Left Blank: 290

Are there any options that reduce rather than increase or hold spending the same? I do not wish to see more buildings or business in Calabasas; it's overbuilt already.

03/18/2022 7:46 AM

Use technology and additional staffing to support the Efficiency and expertise of the CFO and his Dept.

03/16/2022 7:06 PM

Fund technology and staffing to improve the city's fiscal health.

03/16/2022 6:45 PM

Just words. City is capricious when approving projects. Infrastructure cannot handle. Check Calabasas Rd moving East bound at 5:00 p.m. Poor planning.

03/16/2022 7:40 AM

Only interested in filling existing, vacant spots. Not interested in bringing in more business if they need to build to be here. How about looking where to trim fat from the bloated budget in general?

03/15/2022 1:41 PM

Economic plan to attract business should focus on reducing regulations and red tape, minimize number of regulations and staff to save money.

03/10/2022 3:21 PM

The vacant businesses make our city look bad! It's been many years these landlords need to lower rent.

03/10/2022 6:23 AM

Please do not hire more staff, but instead work within the existing staff's capacity. Now that people can return to the office, we should be able to accomplish much more.

03/09/2022 3:42 PM

Retail/commercial vacancies in the City are high. If business can't fill these, then conversion to residential affordable housing should be considered. Creating a General Fund reserve policy seems like SOP. It should be done regardless.

03/08/2022 1:39 PM

Filling VACANT properties is fine. No new buildings.

03/08/2022 11:45 AM

Our HOA has to do reserve studies, and even if they're off, we need them to maintain and replace property.

03/07/2022 9:03 PM

Many of the spots in the center at the corner of Las Virgenes and TO Blvd. remain vacant.

03/07/2022 8:14 PM

I would like more clarity on the long-term funding of the library.

03/07/2022 6:37 PM

The City has a pool of great talented staff-hope that current staff can help write grants or could confer/seek training from local universities re grant writing

03/07/2022 11:16 AM

The deferred maintenance accounts are a key to the general fund reserve policy. We call them reserve accounts in property management. We do not need to hire additional people who may or may not pay for themselves in grant acquisition.

03/07/2022 9:06 AM

I would also suggest a citizen be added to the Budget Subcommittee or create a Finance Commission - assisting Council in, for e.g., tracking the cost of acquisition of Craftmens Corner and assist in following up on action items - 50+ credit cards.

03/05/2022 8:01 AM

The city can't find someone already on the bloated staff to seek, write and administer grants? The city is already over developed. You use the word 'properties' hope you mean already built.

03/04/2022 5:39 PM

Creating an economic development plan to attract businesses can be done in conjunction with the Chamber of Commerce.

03/04/2022 4:16 PM

We need to start planning for climate change resilience in all areas, including fiscally. There will be increasing temps, droughts, wildfires, unpredictable/extreme weather, utility disruption and disaster.

03/04/2022 11:50 AM

Let us stop hiring outside consultants and use some of our staff specialists.

03/04/2022 11:37 AM

9. Please select the top 3 Public Safety & Emergency Preparedness projects or initiatives that you would like the City of Calabasas to accomplish:

Answered: 29 2Skipped: 0 Left Blank: 18

ANSWER CHOICES	RESPONSES	
Consolidate alerts (Blackboard, Alert LA County, Nixle, Calabasas City Notification, SCE...) to better publicize sign-ups and outreach during emergency events.	24.40%	193
Conduct a feasibility study regarding the stationing of cell towers on publicly owned sites to expand coverage areas.	14.92%	118
Develop a City Readiness & Education Initiative for Earthquake and Fire emergencies. Support home hardening programs, fire safe councils, and emergency equipment procurement.	26.68%	211
Review Los Angeles Sheriff Department contract and consider opportunities to realign funding and services, with specific focus on open space break-ins, HOA/neighborhood watch coordination, and remediation of street racing.	26.04%	206
Develop an expenditure plan for Woolsey Fire settlement funds.	7.96%	63
TOTAL		791 (292 answered)

10. Comments

Answered: 22 Skipped: 0 Left Blank: 288

get more police

03/16/2022 4:46 PM

Re: street racing. I live at Valmar at Wrencrest and it sounds like drag race. Some of the biggest culprits are our very own teens racing to and from CHS either at lunch or after school. We need get the STTOP program back.

03/16/2022 12:07 AM

Ther sheriff does an amazing job

03/15/2022 11:33 AM

Traffic has been bad for a long time on the 101 freeway through the Las Virgenes Incline (west calabasas to east calabasas). When there's an emergency, commuting is nearly impossible. We need to work on more routes or something like to improve that.

03/15/2022 11:23 AM

Help people rebuild their homes after natural disasters by reducing red tape and fast-tracking all home rebuilding; no new committees or programs; Focus Sheriff funding on violent crime, quality of life crime, street racing.

03/10/2022 3:21 PM

Consider calabasas having own police dept

03/10/2022 2:33 PM

Make walking trails safe for women and children right now you have to be a fool to walk on the paths with aggressive, drunk and drugged homeless who have made these places unusable.

03/09/2022 7:33 PM

1. As discussed at a recent council meeting, consider using alert channels that are accessible when electricity and cell towers are out, such as Ham radio operators. 2. Readiness & Education initiative could conduct a cell tower feasibility study.

03/09/2022 2:33 PM

Spend more on public safety.

03/08/2022 4:44 PM

Consolidating alerts to public should be part of the City's emergency response.

03/08/2022 1:39 PM

The street racing issue is increasing by the day. I was driving the speed limit and the driver of a Lamborghini sped in front of me and blocked me to proceed on Mulholland Highway. He got out of his car and physically threatened me. Unacceptable.

03/08/2022 12:32 PM

Fight the crime increase. Encourage the law enforcement to come when called and prosecute offenders.

03/08/2022 11:45 AM

Please prioritize an initiative to underground the power poles for better fire safety and return to the rural beauty of the SM mountains.

03/08/2022 7:12 AM

Just ask the cell phone companies where they would like additional towers/coverage. Consider a joint police department with neighboring cities.

03/07/2022 9:03 PM

More CERT training also.

03/07/2022 8:14 PM

Any Woolsey fire settlement funds that are public monies should go to the rebuilding (roof, etc.) of the Agoura Calabasas Community Center. That would likely be its best use as it is also used as an emergency control center and shelter.

03/07/2022 9:06 AM

Can city council vote in a statute that makes street racing illegal within city limits with seizure of vehicles as consequence? Apparently they do this in Kansas City.

03/07/2022 9:03 AM

Consolidating alerts could fall under staff responsibility and not be a separate item. In addition to fire safe council, we also have a very active Firewise Community in Westridge which is a component we can recognize.

03/05/2022 8:01 AM

NO MORE CELL TOWERS. THEY CAUSE CANCER.

03/04/2022 5:39 PM

By realign funding if it means give them more \$\$ then yes

03/04/2022 4:34 PM

A feasibility study regarding cell towers can be initiated through the Communications Commission. An expenditure plan can initially be outlined by staff. Then a TASK force can be created to finalize for Council approval.

03/04/2022 4:16 PM

Calabasas can afford & should have own police dept. the current list hills sheriff are not responsive to calabastas crime.

03/04/2022 11:34 AM

11. Please select the top 3 Recreation, Youth & Senior Services projects or initiatives that you would like the City of Calabasas to accomplish:

Answered: 298 Skipped: 0 Left Blank: 12

ANSWER CHOICES	RESPONSES	
Reopen the Agoura Hills Calabasas Community Center.	28.03%	215
Conduct a feasibility study of adding basketball courts, soccer fields, or skate parks to improve recreation programs and opportunities for teenagers.	20.21%	155
Reevaluate and enhance the City's calendar of events.	10.04%	77
Upgrade playground equipment, trails, and pathways at City parks.	25.29%	194
Complete a full and permanent build out of Wild Walnut Park to include a dog and children's park.	16.43%	126
TOTAL		767 (298 answered)

12. Comments

Answered: 47 Skipped: 0 Left Blank: 263

We REALLY miss the AHCCC. So glad recent grant funding came through, thank you. We do wish to see the Fitness Center gym and fitness center classes reestablished. While there may be competition, the AHCCC served our needs the best.

03/18/2022 7:46 AM

We miss the community center. We work down the street and our child used it often. Also the st Patrick's day event! We live near wild walnut park and that side of Calabasas is in need of play areas for children (the park in the gated community is bad

03/18/2022 7:19 AM

I would like to see the City invest in improvements to the amphitheatre space behind the Calabasas Library, to include permanent canopies and sound and lighting equipment, making the space useable year round for live performances.

03/16/2022 10:28 PM

More parks for the kids.

03/16/2022 9:33 PM

Add a landscaping plan to Wild Walnut Park that includes shade trees and grass. Add better and more play equipment/amenities now because we didn't have the funding then that we have now, such as Wolsey Fire settlement funds and stimulus money.

03/16/2022 7:06 PM

Hire a consultant to review the licensing agreement that currently closes Creekside Park to the community during weekdays. Also they should complete a new plan so the school and a park can coexist.

03/16/2022 6:45 PM

Cultural events, please! NO to Wild Walnut Park. That was a peaceful, quiet, open space, now it's loud dog barking mayhem. We have enough chaos at that intersection with all the high schoolers.

03/16/2022 12:07 AM

I feel like that conducting a feasibility study of adding basketball courts, soccer fields, or skate parks would be an absolutely fantastic ideas. Thus would get the community all together and it would make people go outside and get exercise.

03/15/2022 7:25 PM

no on Walnut Park

03/15/2022 2:22 PM

Commit the type of resources previously committed to seniors to the younger age groups. When the City Recreation Catalog comes it always amazes me the number of pages committed to senior programs compared to all other offerings.

03/15/2022 12:20 PM

Turn the amphitheater behind the library into a usable performance space thru the addition of a canopy, permanent lighting and sound equipment.

03/15/2022 11:45 AM

We need a skate park

03/15/2022 11:33 AM

Playground equipment upgrades and other efforts to encourage outdoor activity and exercise sounds great!

03/15/2022 11:23 AM

Please focus on opening the rec center!

03/15/2022 9:12 AM

More recreation , either via private or public sector is much needed

03/15/2022 8:35 AM

Long overdue. Time to complete construction of a quality WWP Dog Park

03/12/2022 6:53 PM

I live in the Highlands and I've been there for about the last 38 years. I continue to go to our original park. Although I appreciate the attempt I find the new park insufficient for my dog. No water, no shade and pretty darn small to boot.

03/11/2022 3:26 PM

Reopen the AHCCC!!! This vital community center is sorely missed.

03/11/2022 3:20 PM

Wild Walnut Park should remain passive; no new development.

03/11/2022 9:17 AM

All this is useless unless the parks are safe. Right now they are not.

03/09/2022 7:33 PM

Surely reevaluating the city's calendar of events is an annual responsibility for city staff?

03/09/2022 2:33 PM

Build parks and walking trails near the birds area and high School. There are no real trails or near by parks for resident to walk or relax. Very sad

03/08/2022 8:34 PM

We need the park finished for our children and pets to use! Needed there is water, bathrooms, sidewalks, kids' equipment and a full parking area. Also, the dog area needs enlargement.

03/08/2022 4:18 PM

Make trails safet

03/08/2022 11:45 AM

It is imperative that we keep the Wild Walnut Park natural and WILD

03/08/2022 7:12 AM

We used to have a skate park, but that ended at some point (I forgot why). Consider using the schools for basketball courts and soccer fields...a lot less expensive. Wild Walnut was never meant to be a full park, and it's a difficult location.

03/07/2022 9:03 PM

I have 5 kids between the ages of 10 and 15. Would love even more opportunities for them.

03/07/2022 8:14 PM

This is what I wrote: Wild Walnut is a promise unfulfilled by the City Council. The park has no: Water, Bolted-down benches, Bathroom, Pedestrian access (sidewalks), Bulletin board, Kids' equipment and has limited parking and shade. The dog area nee

03/07/2022 7:32 PM

PLEASE REOPEN AHCCC!!!

03/07/2022 1:22 PM

This project has been in the works for many years and would benefit so many residents (and their dogs) in the eastern area of the city.

03/07/2022 12:45 PM

The current dog park was established as temporary and the kids' park was never begun. We need to finish this project and provide a permanent park for dogs and kids with water, benches, bathroom facilities, shade, more parking and pedestrian access.

03/07/2022 12:35 PM

Wild Walnut is a promise unfulfilled by the City Council. The park has no: Water, Bolted-down benches, Bathroom, Pedestrian access (sidewalks), Bulletin board, Kids' equipment and has limited parking and shade. The dog area needs enlarging.

03/07/2022 12:04 PM

Would love to see some public trash cans for dog poo, particularly in the mulwood neighborhood

03/07/2022 11:44 AM

Developing Wild Walnut would also harden that zone against wildfires.

03/07/2022 9:03 AM

Wild Walnut is a promise unfulfilled by the City Council. The park has no: Water, Bolted-down benches, Bathroom, Pedestrian access (sidewalks), Bulletin board, Kids' equipment and has limited parking and shade. The dog area needs enlarging.

03/07/2022 6:44 AM

Wild Walnut is a promise unfulfilled by the City Council. The park has no potable water, bolted-down benches, bathroom, sidewalks, bulletin board, kids' equipment and has limited parking and shade. The dog area needs enlarging.

03/07/2022 5:54 AM

My dog loves the dog park.

03/06/2022 10:45 PM

Wild Walnut is a promise unfulfilled by the City Council. The park has no: Water, Bolted-down benches, Bathroom, Pedestrian access (sidewalks), Bulletin board, Kids' equipment and has limited parking and shade. The dog area needs enlarging.

03/06/2022 8:25 PM

AS I recall, the Dog Park and Children's Park were fully approved and funded in 2019 or 2020. Studies and architectural drawings were completed and fully approved by city council. It appears there is something or someone behind delay of completion.

03/06/2022 6:03 PM

Wild Walnut is a promise unfulfilled by the City Council. The park has no: Water, Bolted-down benches, Bathroom, Pedestrian access (sidewalks), Bulletin board, Kids' equipment and has limited parking and shade. The dog area needs enlarging.

03/05/2022 3:33 PM

Update park facilities to include Pickelball courts, Either by converting existing Tennis courts or building new courts.

03/05/2022 8:44 AM

The AHCCC is a valuable asset. The Wild Walnut Park issue is on the Director of Parks and Recreation's radar and Kindon recently said the ADA component would begin immediately. The Park should be an action item and not a strategic plan.

03/05/2022 8:01 AM

Leave Wild Walnut Park alone.

03/04/2022 5:39 PM

Upgrades to the City's calendar of events is not an emergency. This can be accomplished by staff. Upgrade playground equipment should have a deferred maintenance account. This secures long-term upgrades for perpetuity.

03/04/2022 4:16 PM

Hire a consultant team that includes environmental expert (toxics/hazardous substances) and an air quality expert to evaluate all public buildings and spaces occupied by kids, identify threats/corrective measures, and write guidelines/standards.

03/04/2022 11:50 AM

Stop wasting our money when we need infrastructure, our own police dept.

03/04/2022 11:34 AM

Complete an all-weather extension of the Senior Center at the patio location

03/04/2022 9:41 AM

13. Please select the top 3 Organizational Excellence projects or initiatives that you would like the City of Calabasas to accomplish:

Answered: 266 Skipped: 0 Left Blank: 44

ANSWER CHOICES	RESPONSES	
Hire a lobbyist to provide summaries of legislation relevant to Calabasas.	9.00%	57
Review City's electronic presence by improving website navigation and the Calabasas Connect App. Simplify resident inquiry process and reduce staff response times.	27.80%	176
Establish a more efficient system of maintaining City records/archives.	14.69%	93
Foster better relations with outside public and larger private organizations.	16.59%	105
Examine long-standing City contracts with third parties to assess their present viability.	31.91%	202

14. Comments

Answered: 13 Skipped: 0 Left Blank: 297

Traffic on mulholland near the schools, remove the road diet. Make it easier for parents to drop off/carpool

03/18/2022 7:19 AM

None

03/16/2022 9:38 PM

Study the budget and eliminate programs that might have made sense at one time, but do not any longer. The Senior center could become a unique party facility with a Shade Structure funded by eliminating wasteful spending.

03/16/2022 7:06 PM

We need better security in the area

03/15/2022 9:40 AM

While I appreciate the need to understand the relevance of legislation to Calabasas, must this be accomplished only by hiring a lobbyist? I certainly hope not.

03/10/2022 7:57 PM

The App was great, until staff started noting things as "completed" when they did not want to make changes.

03/09/2022 3:42 PM

Get rid of the city waste.

03/08/2022 4:44 PM

A more efficient system of maintaining City records/archives is a necessary element to accomplish simplifying resident inquiry process and reduce staff response times.

03/08/2022 1:39 PM

Why would you need a LOBBYIST to summarize relevant legislation? Isn't there someone more appropriate?

03/07/2022 9:03 PM

We do not need to spend public funds for a lobbyist to provide summaries of legislation. Those are already available. Lobbyists lobby for or against legislation and you were not suggesting that so don't spend the money.

03/07/2022 9:06 AM

Our website is in dire need of improvement. Examining long-standing City contracts is critical for financial planning and health. This review should be done at reasonable intervals, every 3 years. RFP's could be used to ensure accountability.

03/05/2022 8:01 AM

Review record, structure, and systems to maximize efficiency and transparency, e.g., making public records easily accessible online, taking steps to ensure accountability, eliminate wasteful or inappropriate contracts.

03/04/2022 11:50 AM

I do not have enough information to make a choice

03/04/2022 9:41 AM

15. Please select the top 3 Development & Infrastructure projects or initiatives that you would like the City of Calabasas to accomplish:

Answered: 284 Skipped: 0 Left Blank: 26

ANSWER CHOICES	RESPONSES	
Complete annexation of Craftsman Corner. Develop a plan to annex other properties within the City's sphere of influence.	16.62%	115
Conduct an analysis and action plan to remedy neighborhoods without streetlights.	16.62%	115
Define the City's long-term land use strategies, including the next General Plan update.	25.14%	174
To the extent there are State mandates, emphasize affordable housing (e.g., rather than just raw numbers of additional units).	10.12%	70
Provide options that allow for the relief of traffic congestion within the City.	31.50%	218
TOTAL		692 (284 answered)

On Parkmor street across from Grape Arbor Park there is a sidewalk that needs irrigation and planting. The dirt gets onto the sidewalk and is unsightly and unsafe. Please plant grass and install irrigation. Thank you!

03/20/2022 8:05 AM

Establish a program, as has been done in Hidden Hills, to direct/ear mark funds and further development fees to start the process of undergrounding power/telephone poles to reduce fire hazards and return the natural beauty of the scenic corridor

03/19/2022 1:31 PM

Why a need to 'remedy' streets with less light pollution? Not every street needs a curb, sidewalk, or streetlight! Define strategy that discourages looking like the SF valley! Don't annex unless open space. Do not promote ADUs in neighborhorhoods.

03/18/2022 7:46 AM

Add back the lanes to mulholland around the schools

03/18/2022 7:19 AM

A traffic light at Freedom and Mulholland Hwy would be good to have, especially during school dropoff and pickup times.

03/16/2022 9:33 PM

How about doing proper landscaping for all the on and off ramps of the freeway entrance and exits at Las Virgenes? All the other freeway entrances are so nice in Calabasas and Westlake, but alas Virgenes is just dirt and a few trees and concrete.

03/16/2022 5:26 PM

Transition from loud and unnecessary lawn mowers to silent ones.

03/16/2022 7:50 AM

Address Chs, ACS, Viewpoint, Chaparral backup on Valmar

03/15/2022 8:29 PM

The last two are mutually exclusive. Can't cram more people in a city that already has congestion issues.

03/15/2022 1:41 PM

Bike lanes and cross walk safety. Eventually there will be a fatality in the crosswalk at Eddingham/Mulholland. The city can't afford that lawsuit. A student was recently hit by a car and we are all lucky he is ok. Its only a matter of time.

03/15/2022 12:20 PM

Would be horrific if low income housing was put in place at craftsman corner (by the courthouse area, I assume) we need wider streets and some kind of project that would add more outdoor activities for kids and adults alike.

03/15/2022 8:35 AM

Thank you for the opportunity to express our opinions.

03/12/2022 10:31 AM

I would like the city to address increased airplane traffic which is a health hazard to residents and wildlife. The issue has been brought to the council and city manager and nothing has happened to address our concerns.

03/11/2022 1:58 PM

Traffic congestion in particular around Stelle school and Calabasas High needs addressing. The affordable housing entry is unclear. I'll presume that if there are state mandates applicable to the city, the city if following those mandates

03/11/2022 9:39 AM

LESS TRAFFIC!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

03/10/2022 7:43 PM

Affordable housing is not created by law. It is created by market forces. When there are laws that inhibit what rental property owners can do, they will not improve properties and will not purchase new properties and less housing will result.

03/10/2022 3:21 PM

Please re-open the choked lanes on Mulholland. We face incredibly unsafe situations almost daily because of those lost lanes.

03/09/2022 3:42 PM

It looks like the annexation of Craftsman Corner has stalled and should probably be either completed or canceled.

03/09/2022 2:33 PM

Annex Sagebrush. It is ridiculous this is not part of Calabasas when it has a Calabasas address. LA is simply interested in collecting the revenues from the alcohol sales. This should be priority 1.

03/08/2022 4:44 PM

The General Plan update is an ongoing process that must be completed. It's part of the City's SOP (standard operating procedures).

03/08/2022 1:39 PM

I can't leave my home between 3:00 pm - 4:00 PM due to school congestion. The issue is getting worse; not better. Something's got to be done!

03/08/2022 12:32 PM

All worthwhile, but some of these are not possible or have already been handled, like traffic congestion. We have a dark skies ordinance and some neighborhoods have never wanted streetlights.

03/07/2022 9:03 PM

I wish there was a stoplight at Freedom Drive and Mulholland Highway.

03/07/2022 6:37 PM

The traffic at school times in the Mulwood area is so challenging. Too many schools - we need better scheduling (including Viewpoint, not just LVUSD, please.)

03/07/2022 12:45 PM

Make the intersection and Mulholland Hwy and Eddingham safer for pedestrians by adding a pedestrian activated traffic signal

03/07/2022 9:03 AM

Not sure where to add this, but rewrite the local Oak tree ordinance.

03/07/2022 8:25 AM

Most of these options do not reflect the reality that the City is not in sole control of the issue presented

03/07/2022 8:02 AM

What congestion?

03/06/2022 6:03 PM

Streetlights are under the purview of LA County Public Works. I would suggest that the Calabasas Public Works department be tasked with the evaluation and work with SCE and LA County. Traffic congestion is part of the Public Works as well.

03/05/2022 8:01 AM

Bury all power poles Coordinate with Woodland Hills on valley view road's median for improvements & beautification Further clean up of rocks/dirt on cold canyon, mulholland to make safer Reduce speeding on Santa Monica mountains back roads.

03/04/2022 11:21 PM

What can the city do about the annexation of Craftsman Corner? Thought it is in the hands of LAFCo at this point. But yes, that needs to be accomplished ASAP.

03/04/2022 5:39 PM

Traffic associated with schools is a major contributor to air pollution, climate change, and frustration, and it has a cascading effect because the traffic jams then cause unrelated vehicles to spend time idling waiting through multiple light cycles.

03/04/2022 11:50 AM
