EMERGENCY PREPAREDNESS REPORT

Zonehaven Emergency Evacuation App – Continuing to work with the Office of Emergency Management, Zonehaven and the COG cities on emergency evacuation planning using the Zonehaven system. The Zonehaven representative will be presenting a slide show at this meeting (item #6).

Santa Monica Mountains Conservancy Grant – We have been working with our radio consultant on building a mobile EOC trailer, upgrading backup repeater system with solar power and enhancing the AM radio station. Roozy Moabery from KR Nida, Inc will discuss these items at the April 27th Council meeting.

Crime Prevention – Chair Boucher and Vice Chair Slatoff will form the crime prevention subcommittee.

Home Hardening & Defensible Space video – Working with the Fire Department to produce a series of videos on Home Hardening and Defensible Space.

CRC (Community Resource Center) – Completed an agreement with Southern California Edison for a CRC at De Anza Park. A CRC is a location that the community can use during a Public Safety Power Shutoff (PSPS) and charge their phones or laptops or keep medication cool in the refrigerator. We are working on a second agreement for the Calabasas Tennis and Swim Center.

CERT (Community Emergency Response Training) - The Fire Department is seeking a trainer to provide the CERT training and will schedule with the City of Hidden Hills.

CERP Radio Net – Continuing the weekly radio nets. We will be recruiting new members at the HOA President's Safety meeting on May 12, 2022.

False Alarm Program – There were 277 false alarms from October 2021 to March 2022. This is an average of 46 false alarms per month.
