Hi Mari,

We were planning a parade through Old Town in celebration, but then they restricted traffic.

So, then we were thinking about maybe a week-long dancing water show at the Commons turtle pond, but then the drought water restrictions hit and...

So, we settled on a gift certificate to Corner Bakery but...

How about a nice gif (almost a gift) and heartfelt thanks to the best and most professional Municipal Clerk we know.

Thanks for all you do, Mari. We know you're what powers the City.

Joe
