MISSION STATEMENT

“The mission of the Environmental Commission of the City of Calabasas is to advise the City Council regarding the stewardship of our environment as it affects the character of the Community and quality of life of our residents. We strive to balance those elements that influence the degree to which our community sustains its social, economic and physical environment while maintaining and enhancing our natural and cultural resources”.

ORAL COMMUNICATION - PUBLIC COMMENT

Members of the public wishing to address the City Council during public comment or during a specific agenda item, please press “Raise Hand” if you are joining via Zoom. Please press *9 if you are joining via phone. Please state your name and the City you live in. You will be allowed three minutes to address the Commission.

Under the provisions of the California Government Code, the Commission is prohibited from discussing or taking action on any unagendaized item unless it can be determined to be of an emergency nature, or the need to take action arose after the posting of the agenda.
