January 11 Ribbon-Cutting to Mark the “Re-Opening” of Old Town Calabasas

Representatives from the Calabasas City Council, Calabasas City staff, and members of the Calabasas Chamber of Commerce will join with local business owners and other dignitaries on Wednesday, January 11 at 2:00 p.m. in front of the Old Town Park-n-Ride lot at 23577 Calabasas Road to mark the “reopening” of Calabasas Old Town.

The public is invited and is asked to RSVP to 818-224-1671, tholden@cityofcalabasas.com, or aford@cityofcalabasas.com if they would like to attend. The event is free.

“The Old Town Calabasas Improvement Project was a huge success, featuring safety enhancements, and improved sidewalks and lighting,” said Calabasas Mayor David J. Shapiro. “We’re inviting everyone to the ceremony and encourage people to visit our Old Town businesses soon.”

The renovation features new landscaping and other improvements designed to enhance the “Old West” look and feel of the area, while increasing pedestrian safety and the overall user experience.
