

CITY of CALABASAS

COMMUNICATIONS AND TECHNOLOGY COMMISSION AGENDA REPORT

DATE: January 9, 2023

TO: Members of the Communications and Technology Commission

FROM: Jaclyn Rackerby, Associate Planner

SUBJECT: Wireless Facility Minor Modification, Small Wireless Facility, and Wireless Telecommunication Facility Tier 1 permits update.

MEETING DATE: January 17, 2023

BACKGROUND:

On April 14, 2021, the City Council adopted Ordinance No. 2021-391 amending Section 17.12.050 and adding Section 17.31 to the City of Calabasas Land Use and Development Code, related to Antennas/Personal Wireless Telecommunications Facilities. The adopted ordinance established a Director-level approval process for Wireless Telecommunication Facility Tier 1 permits, Minor Modification permits and Small Wireless Facility Permits. In addition to posting a monthly report of all approved wireless facility permits on the City's website, the following informational report summarizes approved permits.

DISCUSSION/ANALYSIS:

The Community Development Director approved one Wireless Telecommunication Facility – Minor Modification permit during the months of November 2022 through the beginning of January 2023 (see Exhibit A). This application was determined by staff to meet the requirements of Chapter 17.31 of the Calabasas Municipal Code (CMC). Additionally, the project was reviewed by Dr. Kramer of Telecom Law Firm for consistency with the CMC prior to approving the application. As a result, following review by staff and Telecom Law Firm, this application was processed and approved in accordance with Chapter 17.31 of the CMC.

REQUESTED ACTION:

This is an informational item only and does not require action at this time.
