Subject: Followup to my comments at the Council meeting in regard to DACC

Hi.....please forward to the Mayor and Councilmembers. I do not have their email address. It would be helpful if you put the actual email addresses on the website rather than clicking on their names - that does not work with my email set up.

Hello Mayor and Councilmembers,

I hope you will take the time to read this article by Nathan Winograd. He points light on a very dark part of LA County Animal Control.

Contract cities need to be made aware of what really goes on at LA County so-called shelters.

Thanks for your time.
