

## I. INDEMNIFICATION AGREEMENT

The City has determined that City, its employees, agents and officials should, to the fullest extent permitted by law, be fully protected from any loss, injury, damage, claim, lawsuit, expense, attorney fees, litigation expenses, court costs or any other costs arising out of or in any way related to the issuance of File No. SPR-2022-006 or the activities conducted pursuant to this File No. SPR-2022-006. Accordingly, to the fullest extent permitted by law, the applicant and property owner, and their successor and assigns, shall defend, indemnify and hold harmless the City, its employees, agents and officials, from and against any liability, claims, suits, actions, arbitration proceedings, regulatory proceedings, losses, expenses or costs of any kind, whether actual, alleged or threatened, including, but not limited to, actual attorney fees, litigation expenses and court costs of any kind without restriction or limitation, incurred in relation to, as a consequence of, arising out of or in any way attributable to, actually, allegedly or impliedly, in whole or in part, the issuance of File No. SPR-2022-006, or the activities conducted pursuant to File No. SPR-2022-006. The applicant and property owner, and their successor and assigns, shall pay such obligations as they are incurred by City, its employees, agents and officials, and in the event of any claim or lawsuit, shall submit a deposit in such amount as the City reasonably determines necessary to protect the City from exposure to fees, costs or liability with respect to such claim or lawsuit.

## II. CONDITIONS OF APPROVAL

### **Community Development Department/Planning/Building and Safety**

1. The proposed project shall be built in compliance with the approved plans on file with the Planning Division.
2. All project conditions shall be imprinted on the title sheet of the construction drawings. The approved set of plans shall be retained on-site for the review of Building Inspectors. Prior to any use of the project site, all conditions of approval shall be completed to the satisfaction of the Director of Community Development.
3. The project approved herein is depicted on those sets of drawings, elevations, etc., stamped approved by staff on the approval date. Any modifications to these plans must be approved by the Department of Community Development staff prior to the changes on the working drawings or in the field. Changes considered substantial by the Planning staff must be reviewed by the Planning Commission. The determination of whether or not a change is substantial shall be made by the Director of Community Development.

4. Prior to issuance of grading or building permits, plans shall be reviewed and approved by the Department of Community Development to ensure compliance with the plans approved by the Planning Commission. The plans shall comply with the conditions contained herein, the Calabasas Municipal Code, and all City Resolutions and Ordinances.
5. The subject property shall be developed, maintained, and operated in full compliance with the conditions of this grant and any law, statute, ordinance or other regulation applicable to any development or activity on the subject property. Failure of the applicant or its successors to cease any development or activity not in full compliance shall be a violation of these conditions. Any violation of the conditions of approval may result in the revocation of this approval.
6. This grant shall not be effective for any purposes until after the applicant, or its successors, and the owner of the property involved (if other than the applicant) have recorded an affidavit of acceptance of this resolution with the Los Angeles County Recorder's Office, and a certified copy of the recorded document is filed with the Community Development Department.
7. This approval shall be valid for one year and eleven days from the date of adoption of the resolution. The permit may be extended in accordance with Title 17 Land Use and Development Code, Article VI - Land Use and Development Permits.
8. All ground and roof-mounted equipment is required to be fully screened from view. Upon final inspection, Planning Division staff may require additional screening if warranted, through either landscaping, walls or a combination thereof.
9. All exterior lights are subject to the provisions set forth in the Lighting Ordinance Chapter 17.20 of the Land Use and Development Code.
10. Prior to commencement of construction, all necessary building permits must be obtained from the Building and Safety Division.
11. The project must comply with the building codes of Title 15.04 of the CMC at the time of building plan check submittal.
12. The project is located within a designated Very High Fire Hazard Severity Zone. The requirements of Chapter 15.04.900 of the CMC shall be incorporated into all plans.
13. The applicant shall provide the construction contractor(s) and each subcontractor related to the project a copy of the final project Conditions of Approval. The applicant and the City agree that these conditions shall be enforceable through all legal and equitable remedies, including the imposition of fines against each and

every person who conducts any activity on behalf of the applicant on or near the project site. The applicant, property owner, and general construction contractor are ultimately responsible for all actions or omissions of a subcontractor.

14. Construction Activities - Hours of construction activity shall be limited to:

7:00 a.m. to 6:00 p.m., Monday through Friday

8:00 a.m. to 5:00 p.m., Saturday

Stacking of construction worker vehicles, prior to 7:00 a.m. in the morning will be restricted to areas that do not adversely affect adjacent residences or schools. No vehicles involved in construction of this project shall block the roadway at any time. The applicant or its successors shall notify the director of Transportation and Intergovernmental Relations of the construction employee parking locations, prior to commencement of construction.

#### **Public Works Department/Environmental Services Division**

15. During the term of the City permit, the contractor, their employees, and subcontractors shall implement appropriate Best Management Practices (BMPs) to prevent pollution to local storm drains and waterways. Sediments, construction debris, paint, trash, concrete truck wash water and other chemical waste from construction sites left on the ground and streets unprotected, or washed into storm drains, causes pollution in local waterways via the storm drain system is against City ordinances and State laws. The BMPs implemented shall be consistent with City of Calabasas Municipal Code Chapters 8.28. Failure to implement appropriate BMPs shall result in project delays through City issued "Stop Work Notices" and/or fines levied against the owner/developer/contractor.
16. The applicant and contractors shall implement all reasonable efforts to reuse and recycle 75% of construction and demolition debris, to use environmentally friendly materials, and to provide energy efficient buildings, equipment, and systems.
17. Per the Calabasas Municipal Code Chapter 8.16, "no person shall collect and/or dispose of municipal solid waste or recyclable materials in the city without having first been issued a solid waste collection permit. Such permit shall be in addition to any business license or permit otherwise required by the City of Calabasas." The following companies and the only trash haulers authorized to operate in the City of Calabasas: American Reclamation (1-888-999-9330), Consolidated Disposal Service (1-800-299-4898), Recology (1-800-633-9933), Universal Waste Systems (1-800-631-7016), Waste Management/G.I. Industries (1-800-675-1171). An Encroachment Permit from the City Public Works Department is required prior to placing a refuse bin/container on any public street.

**Los Angeles County Fire Department**

18. Obtain any applicable permits and approvals from the Los Angeles County Fire Department.
