COMMUNITY INTERESTS:

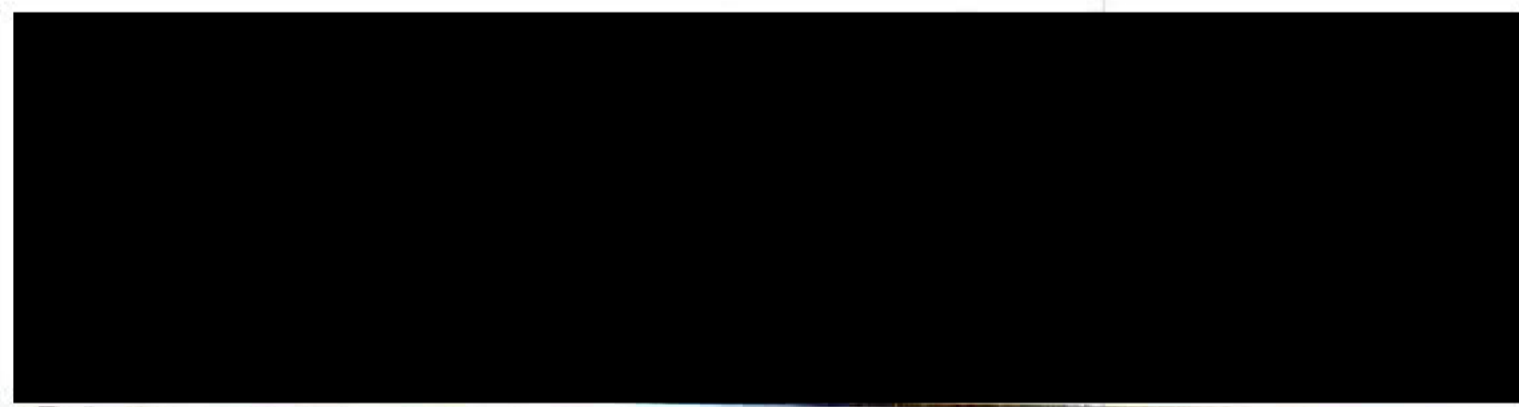

I enjoy the open spaces, hiking and community of Calabasas. Having lived here for over 14 years, I like the country feel and the convenience of the shopping and outdoor activities.

PLEASE GIVE A BRIEF STATEMENT AS TO WHY YOU ARE INTERESTED IN SERVING ON THIS COMMISSION OR BOARD:

I believe that I would be an asset to the planning commission for several reasons. Firstly, I was a General Contractor for 30 plus years and have a pretty good knowledge base of all proposed projects that may come to the planning board. Secondly, I am a team player that will work to have smart and community appealing growth, with my personal bias towards using the spaces that are already designated and not "over building" where we become something that Calabasas was never intended to be. I'd like to keep the "Santa Barbara" style architecture on all existing and future projects as that is what makes Calabasas unique in the San Fernando Valley.
