CITY OF CALABASAS

City Council Protocols

PREAMBLE

The Calabasas City Council is charged with taking appropriate, necessary, and timely action to maintain the City of Calabasas as a leading, well-managed, and innovative cityCity at the forefront of desirable California cities.

It is the overall responsibility of the City Council a) to gather information and knowledge; b) to take counsel; c) to keep a long-range perspective; d) to hold itself to the highest standards of ethical and professional conduct in the performance of its duties without regard to personal advantage; e) to be free of favoritism; f) to listen carefully to the public; and g) to conduct a reasonable and reasoned period of discussion prior to making decisions.

To accomplish the above-stated responsibilities, and as guidance for the orderly governance of the City, the Calabasas City Council has adopted the following protocols. Except for those protocols that are based on law, these protocols are voluntary and non-binding. They are set forth here to clarify what has become, over time, successful procedures or best practices for the conduct of civic affairs within our City.

These protocols are intended to be consistent with all legal requirements applicable to the conduct of City affairs. In the instance of any conflict with state or federal law, or with the Calabasas Municipal Code, such state, federal or municipal law requirements will control. In addition, official City meetings are generally conducted pursuant to the most current Roberts Rules of Order.

It is expected that the City Council will review these protocols and Roberts Rules of Order periodically, in order to consider appropriate additions, deletions, and/or amendments.

PUBLIC MEETINGS

1. Public ~~hearings-meetings~~ and discussion items at Council meetings proceed generally in the following order:
 - a. City staff presents a report of the item under consideration.
 - b. Councilmembers have an opportunity to ask questions of staff for clarification or to gather additional information.

2. Any Councilmember who desires to recuse himself or herself for conflict of interest or any other reason shall do so as soon as the item is called and shall leave the Council ~~chambers~~ Chambers until the item is concluded.
3. Any Councilmember may request a continuance of an item on the agenda if that Councilmember needs more time to become fully informed and able to render a decision. However, a continuance ~~need not be granted if~~ must be approved by a majority of the Council ~~deems it necessary to render a decision at the agenda~~ time.
4. If a Councilmember is ill or away for any agenda item of special interest to that Councilmember, the item may be continued or tabled at that Councilmember's request, subject to any applicable statutory time periods, and only if such delay would not be ~~ad~~verse to the City's best interests. However, Councilmembers should not request a continuance without justifiable reason. Bear in mind that the public may attend expecting discussion or action on the issue, staff has prepared reports, and there may be staff or consultants present just for that item. Councilmembers should coordinate with the City Manager about future agendas and their own schedules to avoid missing items that may be of particular interest to them.

PUBLIC MEETINGS, ~~continued~~Continued...

5. If any Councilmember becomes aware of an unexpected issue that may be brought up by a member of the public at a Council, commission or committee meeting, that Councilmember will, as a courtesy, inform the other Councilmembers and the City Manager to the extent legally permissible.
6. Councilmembers are expected to attempt to persuade their colleagues to their point of view through reasoned debate, but also to accept the Council's ultimate decision graciously and as final. Items shall not return to City Council unless there has been substantial change and it is requested by a member of the original majority vote.

- ~~11-13.~~ Subject to applicable legal deadlines, the Mayor or any Councilmember may move to refer back to staff any agenda item that is deemed to be incomplete or unready for final decision. The same rule applies to City Commissions.
- ~~12-14.~~ A Councilmember may suggest a change in procedure if he or she feels it will be helpful for the conduct of a particular meeting, understanding that the Mayor runs the meeting.

PUBLIC MEETINGS, Continued

~~13-15.~~ While unanimity is not required or always possible, the Mayor attempts to find consensus on discussion items.

~~16. Councilmembers provide succinct summaries of previous discussions with staff to assure the public that items have been thoroughly reviewed and concerns have been addressed~~

~~14-17.~~ Councilmembers should make the reasons for their votes clear to their colleagues and to the public. This is particularly important when the Council is divided on an issue.

~~15-18.~~ The Mayor, and Councilmembers, ~~and all Commission and committee members~~ treat everyone with courtesy and respect.

~~16. All participants in a public meeting, including Councilmembers, staff and the public, shall make their remarks succinct, to the point, and as brief as possible. ~~PUBLIC MEETINGS, continued...~~

~~17-19.~~ Direction to staff must be determined by a majority of the Council and must be clearly identified at the Council meeting. Tacit approval, or lack of disagreement by others, is not considered direction. The Mayor should ensure that the direction staff receives is clear and represents the majority view of the Council.

~~18-20.~~ Every Council action should be:

- a. A reasoned decision that was arrived at in a fair way.
- b. Not to the personal advantage of any Councilmember.
- c. Free of favoritism.
- d. Based on information and opinions from a variety of sources, and particularly, from those who would be most affected.

~~19-21.~~ Councilmembers do not have private communications, among themselves or with members of the public, via electronic communication devices or otherwise, from the dais during public meetings.

~~2022~~. All members of the public desiring to speak at a Council ~~or Commission~~ meeting shall complete a speaker card which will be made available at all such meetings. The speaker should provide his ~~and or~~ her name and ~~city~~City of residence on the speaker card. It is within the discretion of the Mayor ~~or meeting chair~~ to accept a late submitted speaker card. Speakers participating via Zoom or any other remote/virtual communication system used by the City Council should press raise hand at the time the item they wish to comment on is heard. When they are brought into the meeting, they should state their name and City of residency.

PUBLIC MEETINGS, Continued

~~2123~~. All meeting participants will tell the truth to the best of their knowledge and ability when presenting testimony or oral comments to the Council ~~or Commission~~.

~~2224~~. All meeting participants shall conduct themselves in an orderly manner. As a last resort, any person conducting themselves in a disorderly manner may be removed from the meeting room pursuant to California Government Code Section 54954.3(c).

CITY COUNCIL INTERACTION AND COMMUNICATION

1. Councilmembers treat each other with the respect and courtesy that is their due as residents and public officials.
2. Each Councilmember has the responsibility to initiate action to resolve problems cooperatively and as soon as possible, either directly with other Councilmembers or with the City Manager.
3. The Council maintains a respectful decorum, and avoids personal attacks during public meetings, in the press, or at any other time. Legitimate dissent or opposition to another Councilmember's voting record or positions on issues are within the bounds of appropriate political discourse.
4. Councilmembers should be sensitive to the negative impact that inappropriate conduct has on the public perception of the City. Councilmembers should be mindful of the fact that they are representatives of the City in all their public activities.

6. ~~Councilmembers do not engage in private discussions in violation of the Brown Act. Councilmembers are expected to honor such concerns and immediately cease the conversation even if they do not agree that the Brown Act applies in that particular instance.~~
7. ~~Personal attacks are always off-limits. Councilmembers start with the assumption that other members have the best interests of the City at heart, even if they disagree with their positions. All official press releases shall be reviewed and approved by the City Manager.~~
87. If a Councilmember takes a position in the media, or at any public hearing, critical of a decision, or critical of fellow Councilmembers or members' positions on issues, such public comments should stick to the issues under contention and never involve personal attacks. —Councilmembers shall be mindful when representing views or making comments and, if they do not reflect the majority of the Council, must claim the comments as their own personal opinion. If the Mayor takes a position in the media, he or she must note the Council's position if it runs contrary to his or her own opinion. Positions set forth in writing on City letterhead should clearly indicate if the position stated is one officially voted on by the City Council, or if it only represents the position of the individual Councilmember.

~~CITY COUNCIL INTERACTION AND COMMUNICATION, continued...~~

98. Councilmembers should avoid public expressions, comments, or opinions of ~~city~~ City fault responsibility or liability in any matters involving property damage, personal injury or alleged breach of contract or alleged violation of law.

CITY COUNCIL INTERACTION AND COMMUNICATION, Continued

409. These Protocols do not, by themselves, carry the weight of law. Councilmembers are expected to abide by them out of a desire to have a well--run City that treats its residents respectfully and with dignity. A governing body that strives to be fair, informed, honest, diligent, dignified, efficient and respectful of others will win the respect and trust of its residents.
4410. If any Councilmember feels that a Protocol is being violated, it is appropriate for that member to discuss it individually with the errant Councilmember. If the City Manager or staff are involved, it is appropriate to discuss it with the City Manager. If this does not resolve the situation, it is appropriate, as a last resort, to bring up the matter within the Future Agenda Item period of a public meeting and ask for the issue to be put on a future agenda.
4211. A principal purpose of the Protocols is to establish or uphold procedures and behavior that win the trust of the public by promoting efficient, productive and civil interaction between Councilmembers. Any Councilmember who habitually ignores these Protocols should expect to be called to task by his or her fellow Councilmembers and by the public.
4312. A Councilmember who originates an idea or program shall continue to be identified as the originator even if the idea or program is pursued by another Councilmember or City official.
13. Two Councilmembers may request, through the City Clerk, resolutions, proclamations or similar initiatives. All such requests must be approved by the City Manager, who should ask staff to vet the cause, if necessary. The Mayor

should limit the number of presentations made at City Council meetings to maintain sufficient time to conduct City business.

4414. Two Councilmembers may request, through the City Clerk, certificates or other awards recognizing special events, organizations or individuals of importance to the City. All such requests must be approved by the Mayor~~City Manager~~, who should ask staff to vet the organization, if necessary. 168. All electronic mail communications between members of the City Council and any other person either relating to the City's business or communicated in the City Councilmember's official capacity ~~must~~should be sent using the City Councilmember's official electronic email address issued by City staff. CITY COUNCIL INTERACTION AND COMMUNICATION WITH STAFF

2. Councilmembers feel free to communicate with the City Manager about any City issues, including resident concerns. However, Councilmembers are also mindful of the City Manager's busy schedule and competing requests for access.
3. Complaints or concerns about any City departments or staff are first taken up with the City Manager. It is not appropriate, in any situation, to critique, ridicule, or complain about other staff to any staff person other than the City Manager.
4. Councilmembers may routinely ask department heads for information relative to their department. However, inquiries that require extensive research, or reports that may occupy more than cursory staff time should first be discussed with the City Manager, and may require action or approval by the entire Council.
5. Department heads report to the City Manager. –Councilmembers do not insert themselves into or interfere with that chain of command. Neither the City Council nor any Councilmember shall give orders to, command the services of, or assign work to any subordinates of the City Manager, either publicly or privately. Alternately, contact may be made directly with Senior Management, as long as a copy of the communication is forwarded to the City Manager. Senior Management shall inform the City Manager of all Councilmember contact.
6. The Council should expect to be fully and promptly informed by the City Manager or his designee regarding any unusual activities or events of public concern.
7. Councilmembers keep a friendly, professional relationship with staff members, but avoid getting involved with personal matters, operational matters, work assignments or projects with any staff other than the City Manager.
8. It is staff's role to provide factual, objective, and unbiased information to the Council and the public in its reports. Councilmembers do not interfere or attempt to unduly influence the content of reports being prepared by staff. ~~–If a Councilmember disagrees with a staff recommendation, he or she is not obligated to vote for it and is likewise free to attempt to convince his or her colleagues on the Council of his or her position.~~If a Councilmember believes that information provided by staff is not factual, objective or unbiased, he or she should request the City Manager to review it.
9. Councilmembers establish action and budget priorities for the City at least once a year during the annual budget review process.
10. Changes from the priorities or budget allocations established during the annual budget review process should be pursued only after careful consideration, as

they may involve changes in staff work load and appropriations, and because the original priorities were established with the benefit of a public hearing.

CITY COUNCIL INTERACTION AND COMMUNICATION WITH STAFF, ~~continued~~Continued...

11. Councilmembers should bring forward requests for deviations from the established budget priorities only if they involve a degree of urgency that cannot wait until the next budget review.
12. Councilmembers may individually ask the City Attorney general questions involving matters related to their performance as City officials. However, inquiries that require extensive research, opinions or reports should first be discussed with the City Manager, and may require action or approval by the Council.
- 12-13. Email correspondence is preferred when distributing information. Text messages should be used when the information is urgent or immediate replies are necessary.

COMMITTEES OF THE COUNCIL

- ~~2.~~ Both Committee members shall be included in all meetings, correspondence and communication.
- ~~2.3.~~ The Council endeavors to define the jurisdiction and area of study of each ~~committee~~ Committee so as to avoid conflicts or overlapping issues.

- ~~4.~~ ~~The Council is available to advise committees by placing items about which a committee needs guidance on a Council agenda.~~
5. Each Council meeting agenda should include an opportunity for the making of ~~committee~~ Committee reports. Whenever possible, written reports are provided to the Council prior to the public meeting.
6. Committees may recommend a course of action to the Council, but they never supplant the decision-making authority of the Council, unless authority to take specific action is expressly delegated to a ~~committee~~ Committee by a vote of the Council at a public meeting.
- ~~7.~~ ~~Committee meetings are scheduled and (where applicable) proper public notice is provided through staff.~~ Councilmembers who wish to call a ~~committee~~ Committee meeting may do so by asking the City Manager to make the appropriate arrangements.
- ~~7.8.~~ The need and effectiveness of the Committees are evaluated on an annual basis by the City Council.

2. The Council is responsible to make its vision for the City clear to all appointed and advisory bodies as policy guidance for those bodies.
- ~~3.2. The Council holds Commissions and ~~boards~~ Boards to the highest standards of ethical and professional conduct in the performance of their appointed duties.~~
- ~~4. Like the City Council, Commissions and boards work for the benefit of the community and never for personal purposes.~~
- ~~5.3. The Council spells out the role, jurisdiction, authority and prerogatives of appointed bodies.~~
- ~~6. Commissions and boards are expected to make specific recommendations on matters brought before them, and not merely to pass them on to the City Council for final decision.~~
- ~~7. Councilmembers do not dictate the decisions of Commissioners and other ~~board~~ Board members. Commissioners and board members come to their own conclusions based on the evidence, the City's Municipal Code, and other governing and visioning documents. Substantial consideration is to be given by Commissioners to the recommendations of staff contained in the agenda reports.~~
- ~~4. Commissioners are encouraged to discuss questions or concerns about any agendized items with the Commission's staff liaison prior to Commission meetings in order to be prepared to take action at public meetings.
