It would be an honor and privilege to serve on the City of Calabasas Environmental Commission. As a resident of Calabasas since 1992, I am committed to contributing to and furthering the vision set forth by the Calabasas City Council and the Environmental Commission. With my extensive experience as a volunteer and advocate at both the state and local levels in California, I am eager to continue advocating for environmental sustainability and preserving the natural beauty of our community. I advocated for the passage of Assembly Bill 1788, known as "The California Ecosystems Protection Act", California Fish & Game Code FGC §3003.1, LA City Ordinance 183001, and drafting the Calabasas Coyote Management Plan. I would be honored to serve.
