IS THE STATUE OF LIBERTY JEWISH?

PRESENTED BY: CLIFF
WILCOX

Is it possible that the Statue of Liberty is most appropriately considered a Jewish statue? While the face of the statue is not of a Jew nor was the sculptor Jewish, many attributes of the statue reflect a deep Jewish connection, specifically the imprint on the statue made by the Jewish American poet, Emma Lazarus. This lecture will explore the efforts of Emma Lazarus as philanthropist, social reformer, and poet, particularly her work to bring the Statue of Liberty into public display.

Puppy Spotlight: Coda (A.K.A. Coda Man)

This month features Coda (A.K.A. Coda Man)!

Kimberly Post, Facility Supervisor, rescued Coda from the Ventura County Animal Shelter in 2007. He's a cute and happy Jack Russell Terrier/Chihuahua mix. Coda is celebrating his 17th birthday this month!

Coda enjoys delicious snacks and lots of naps! This happy pup loves to eat and sometimes gets in trouble for digging his nose where he shouldn't. He makes his rounds licking the floors, in search of some hidden crumbs from lunches and dinners.

Please send in photos and a story of your pet(s) to xosorio@cityofcalabasas.com for a chance to have your pet in the spotlight!

SAVVY SENIOR SNIPPETS

BY: BILL DAVIS

Greetings to all of my Savvy Senior Friends,

This month celebrate Father's Day. It's often thought that almost any male can father a child, but it takes a real man to be a "Dad". Being a "Dad" is a hard job and at the same time it is rewarding beyond description. There is no training manual, but with love as the guiding factor it seems to work out pretty well. I miss my Dad, but always remember his words whenever I thanked him; he simply said to "pass it on". Unfortunately, I never got to thank him for teaching me how to be a better "Papa".

This dad sings (signs) a beautiful song to his daughter at her wedding.

And finally, a beautiful song that simply explains how dad's feel about their children.

INSTRUCTOR SPOTLIGHT:

STEVE KOHN

Steve Kohn has been teaching opera classes on behalf of Los Angeles Opera for 25 years. He has been teaching for the Calabasas Senior Center and Savvy Seniors since the facility opened 8 years ago.

Steve hopes that his students leave his class with a better understanding and appreciation for the great operatic art form, the music, the singing, and the stories.

He has loved opera since his first year in college over 60 years ago. Steve's wife, Karen, is a volunteer with the Savvy Seniors as well. He has two grown sons and three grandchildren. All of the family share the same enjoyment and love for the opera.

Steve's class this session is called, "Ladies in Distress...Or, Maybe Not!!". The class covers the following operas and their

composers: Werther (Massenet), Turn of the Screw (Britten), Florenzia en el Amazonas (Catan), Dialogues of the Carmelites (Poulenc), Simon Boccanegra (Verdi), Roberto Devereux (Verdi), Pagliacci (Leoncavallo), Manan (Massenet), La Juive (Halevy), Streetcar Named Desire (Previn), and Elixer of Love (Donizetti). His classes dive into the operas and his passion for the art is showcased in his teaching.

Steve's classes are held on Thursday's from 10:30 - 12 p.m.

EXCURSIONS

BY: JACKIE HOFFMAN

The Savvy Seniors of Calabasas and Tuckers Tours would love to have you join us on our first Overnight Tour, "Scarecrows and Surprises on the Central Coast". October is a beautiful time to visit some fascinating attractions from Pismo Beach, Nipomo, Cambria and maybe the little one-street town of Harmony. Harmony is home to Harmony Glassworks, a glassblowing studio, art gallery, school, and gift shop.

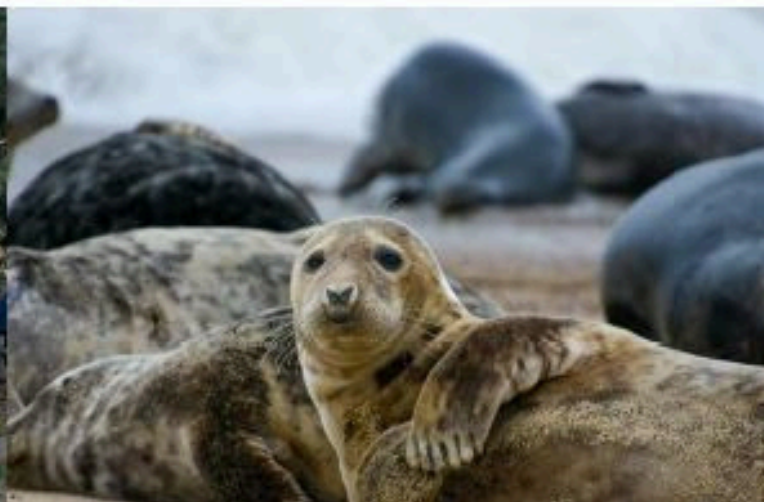

TUCKER TOURS PRESENTS: SCARECROWS AND SURPRISES ON THE CENTRAL COAST

Join this overnight excursion! On Day 1, the group will be traveling north to the California Central Coast. A stop will be made in Solvang, where lunch will be on individual's own tab. Next, it's off to the SeaCrest OceanFront Hotel, where the group will be staying. Dinner will be enjoyed at the Pier in Pismo Beach on individual's own tab. Day 2 will begin with an included breakfast before heading out for a scenic ride to the Elephant Seal Rookery at Piedras Blancas. This location is one of only a few spots in the world where northern elephant seals can be seen in vast numbers. Enjoy a time at leisure browsing the charming shops, boutiques and galleries in Cambria's quaint and historic East and West Village. The Cambria Scarecrow Festival has grown into a community-wide event with hundreds of scarecrows engaging in many activities through Cambria, San Simeon and Harmony. Over the years, the festival has grown into one of the most unique festivals of handcrafted folk art in the U.S. Next, travel to a secret gem nestled on the hidden mesa in Nipomo. This unique ranch grows and sells the sponges we know as loofah or Luffay. A tour of this Luffa Farm begins with a comparison of commercial Luffa imported here from other countries. From there, we'll enjoy an included dinner at the legendary steakhouse, Jockos, before returning home. *Tour Level: Moderate Walking. **REGISTRATION CLOSES ON SEPTEMBER 26.**

Tour includes: Roundtrip Deluxe Motor Coach transportation, (1) Oceanview room at the SeaCrest OceanFront Hotel in Pismo Beach, (1) breakfast, & (1) dinner, (1) admission to the Luffa farm, Luggage Handling & Services of a Tucker Tours professional Tour Director.

CARING CALABASAS CLUB NEWS BY: CAROL DAVIS

May Accomplishments

The Caring Calabasas Club members really created and delivered in the month of May. The chattering, laughing and smiles testify to the fact that everyone had fun at the same time. The Knitting/Crochet Club sent six sample hats to The Magic Yarn Project and the creators are awaiting feedback from headquarters to see what modifications need to be made to meet the specifications.

Can you imagine the smiles on the little faces wearing the hats and facing life's challenges with a handmade chapeau?

Sixteen Caring Calabasas members came (many for the first time) to the My Stuff Bags Foundation headquarters and delivered 52 blankets, 28 scarves, 85 hats and stuffed 400 duffle bags assembly line style. A member of the Senior Center Staff, Xcaret, joined that morning. Read the details of the story under her byline, on the next page.

The Card preparation was so successful that there are enough materials to make cards in June, July and August. The prep on July 25th has been changed to an actual Card Creation Day. Same day, same time (2 - 4:30 p.m.), but creation instead of prep. Many hands really DO make light work.

And, finally, six blankets are being delivered to The West Valley Sherriff Station for use in their Comfort Room.

Surprise Pop-Up

In July, there will be a pop-up event to enable a smaller group of members to participate in the the process of creating the Braille Board Books project. This experience will acquaint volunteers with the process and make the bigger Caring Calabasas/Caruso Cares Initiative run even more smoothly. Look for emails to announce the day...probably a Monday in July. Space will be limited.

Caring Calabasas/Caruso Cares Event - Save the Date!

Friday September 27th is the date set for the Third Annual Joint Charity Day.... probably from 9:30 a.m. or so till 2:30 p.m. It will be held at the Community Center and the goal is to put braille plates on 700 board books for children.

More details to come, so save the date for this event.

Make those doctor's appointments another day.

This is going to be a lot more fun!

Collections

Clothing

At the monthly meeting it was decided to add another collection to the calendar. It is to be a one-day event on a Saturday in December, where a truck is scheduled to collect any gently used clothes of all kinds and sizes, including winter jackets, for an Indian Reservation in Arizona. Start cleaning out a closet and a drawer at a time, and put things aside for this event. It is a good feeling to get the clutter out of the house and the reservation will be happy to receive donations.

Eyeglasses

The eyeglass collection is still scheduled for August. Glasses of any kind. i.e., prescription, readers, sunglasses for men women and children are acceptable. The Lions Club has a mission that redistributes them to optometrists that prepare and distribute them to worthy charities all over the world. Imagine not having access to glasses- the world would be a blur.

More specifics will be given in the next newsletter.

A Visit to My Stuff Bags

On Tuesday, May 21, a group of 16 visited the My Stuff Bags location in Westlake Village. My Stuff Bags is the Non-Profit which Caring Calabasas creates the fleece blankets, knitted scarves, and hats for children.

My Stuff Bags was founded in 1998 and serves the group of children who must leave behind all belongings when they are rescued from abuse, neglect, abandonment, or homelessness and enter foster care. The children don't have time to gather any of the belongings owned and are placed in a new living situation with nothing, but the clothes on their backs.

My Stuff Bags puts together bags of donated items to give to these children. The bags include a small pouch with hygiene items, clothes, a fleece blanket, stuffed animal, book, coloring

book, and more. Each bag has a lanyard with a label for the child to write their name on it, giving the children something to call their own. All of the items in the bags have been donated from companies, schools, and various groups.

Caring Calabasas volunteers were split into two groups and organized into assembly lines. The volunteers then assembled the lanyards, pouches, and put everything into duffel bags. Assembling a total of 400 bags was a wonderful experience. It was explained that when the children are given the duffel bags, the children are told that the bags were created by volunteers who care about them. This organization is truly heartwarming and one can feel the passion the President/CEO, Janeen, the Operations Manager, Bob, and all staff have for this wonderful foundation. Keep an eye out for the next visit that is planned! Volunteering for this event is such a special experience and one that will stay with you.
