SENIOR CENTER 8 YEARS CELEBRATION!

The Senior Center celebrated its 8th Birthday with an ice cream social and Bingo!

Guests enjoyed a refreshing ice cream while socializing under the shade of the patio umbrellas and walking around the Multipurpose Room. The Multipurpose Room had tables with information on the various clubs, programs, and excursions that the Center offers. Anthem Blue Cross provided ice-cream during the social hour. Guests then moved down to Founders Hall for Bingo! Winners received gift cards provided by Fairwinds West Hills & Meadowbrook. Refreshments and snacks were also provided by Meadowbrook Senior Living in Agoura Hills.

Pet Spotlight: Frankie & Sophie

When Frankie was rescued in 2019 at just over a year old, he was living in a "half way house" on Ventura Blvd. He was extremely underweight, but with a huge personality and smile on his face. He adapted too well to the spoiled life. He loves spending his mornings sleeping in the sun and watching the BBQ. Whenever BBQ'ing food, it often takes 8 or more hours. Frankie has assigned himself the duty of making sure the BBQ is safe and keeping birds away from it. Once the sun goes down though, he'll be inside getting some much needed rest. His daily activity is running from his sister, Sophie the Cat. While he outweighs her by probably 60 pounds, there is no doubt she is the boss. She loves chasing him around and inciting riots. Frankie loves camping and spending time in the desert and at the beach or even out on a boat fishing, where he loves talking to the sea lions. Sophie was found at a park far from any houses in 2007. She was living by a creek and looked unhealthy and underweight. She decided she was going home with her now owners that day and there was no changing her mind. It didn't take long at all before she claimed her new home as her own. Her favorite pastime is playing

with her brother Frankie the dog. Hiding from him and swatting him from behind when he's looking in the wrong place. While she is now completely deaf, that doesn't slow her down one bit. At 18 years old, she is still just as sweet as the day she moved in. While she used to be a hunter of anything in the backyard, she has given that up for a life of just laying in the backyard chair and observing. Perhaps thinking back on all the times she once prowled the yard. Frankie and Sophie are the fur children of Jennifer Hernandez, Recreation Coordinator at the Senior Center, and her husband Luis, Public Works Superintendent.

SAVVY SENIOR SNIPPETS

BY: BILL DAVIS

Greetings to all of my Savvy Senior Friends,

On Memorial Day the ultimate sacrifices that so many of the Veterans made are honored. On Veteran's Day, all those who have honorably served the Country are honored. On July 4th America's most defining holiday, Independence Day, is celebrated. It is a celebration of the goal established by the Founding Fathers and of the proud men and women of this great Nation have made, and continue to make, happen. Let's also be sure to honor the First Responders that serve and protect this country on a daily basis.

Ronald Reagan Patriotic Speech - 3 Minutes

<https://www.youtube.com/watch?v=GiuFzpl28io>

This is not an Independence Day speech, but it describes the promise and potential of our Republic. The young High School and College students met are inspiring and it's optimistic that their generation continues to make the American Dream a reality.

One of the Greatest Speeches Ever By President Obama - 10 Minutes

<https://www.youtube.com/watch?v=NaaSpRMBHjg>

Finally, here are two musical tributes to the Country.

Ragged Old Flag - 5 Minutes

https://www.youtube.com/watch?v=sRuoGgBK_Vk

Lee Greenwood, US Soldiers Release New Version of "God Bless the USA" - 3 Minutes

<https://www.youtube.com/watch?v=0Japc8M8RQw>

May God continue to bless America and may America continue to have strong men and women to continue the legacy.

Enjoy.

INSTRUCTOR SPOTLIGHT:

JASON HENSLEY

Jason Hensley is a lifelong learner. He feels that knowledge is the foundation of everything; ultimately any decision that one makes stems from what they know.

Therefore, Jason Hensley has sought to learn as much as possible. He holds a PhD in Holocaust and Genocide studies, believing that by learning more about these topics, he would have a stronger basis to help bring humanity together through his studies and lectures. He has a DMin in Biblical Studies, trusting that by learning about both the Jewish Scriptures and the Christian Scriptures, he could help Christians gain an appreciation for their roots and their debt to Judaism. He has an MA in Biblical Languages, in order to get back to the original writings of the Bible. He has a second MA in Holocaust and Genocide Studies, furthering the focus on bringing disparate groups together. He has a third MA in Special Education, emphasizing how to make knowledge accessible to everyone.

His love for learning goes beyond his degrees. He is a fellow of the Michael LaPrade Holocaust Institute. He was a member of Civic Spirit's teacher education cohort. He is a graduate of the Glass Leadership Institute of the Anti-Defamation League, a News Literacy Project Ambassador, and a Higher Education Ambassador for the Council on Foreign Relations. Over and over, Jason Hensley's work has sought to advance knowledge, and in doing so, bring people together.

Jason teaches classes on Monday evenings at the Senior Center. In Fall, he will be teaching at both the Senior Center and at the Community Center. Keep an eye out for Jason's classes in the Fall!

EXCURSIONS

BY: JACKIE HOFFMAN

The Savvy Seniors of Calabasas and Tuckers Tours would love to have seniors join on the first Overnight Tour, "Scarecrows and Surprises on the Central Coast". October is a beautiful time to visit some fascinating attractions from Pismo Beach, Nipomo, Cambria and maybe the little one-street town of Harmony. Harmony is home to Harmony Glassworks, a glassblowing studio, art gallery, school, and gift shop.

TUCKER TOURS PRESENTS: SCARECROWS AND SURPRISES ON THE CENTRAL COAST

Join this overnight excursion! On Day 1, the group will be traveling north to the California Central Coast. A stop will be made in Solvang, where lunch will be on individual's own tab. Next, it's off to the SeaCrest OceanFront Hotel, where the group will be staying. Dinner will be enjoyed at the Pier in Pismo Beach on individual's own tab. Day 2 will begin with an included breakfast before heading out for a scenic ride to the Elephant Seal Rookery at Piedras Blancas. This location is one of only a few spots in the world where northern elephant seals can be seen in vast numbers. Enjoy a time at leisure browsing the charming shops, boutiques and galleries in Cambria's quaint and historic East and West Village. The Cambria Scarecrow Festival has grown into a community-wide event with hundreds of scarecrows engaging in many activities through Cambria, San Simeon and Harmony. Over the years, the festival has grown into one of the most unique festivals of handcrafted folk art in the U.S. Next, travel to a secret gem nestled on the hidden mesa in Nipomo. This unique ranch grows and sells the sponges we know as loofah or Luffay. A tour of this Luffa Farm begins with a comparison of commercial Luffa imported here from other countries. From there, we'll enjoy an included dinner at the legendary steakhouse, Jockos, before returning home. *Tour Level: Moderate Walking. **REGISTRATION CLOSES ON SEPTEMBER 26.**

Tour includes: Roundtrip Deluxe Motor Coach transportation, (1) Oceanview room at the SeaCrest OceanFront Hotel in Pismo Beach, (1) breakfast, & (1) dinner, (1) admission to the Luffa farm, Luggage Handling & Services of a Tucker Tours professional Tour Director.

Card Creation

29 Caring Calabasas Club members, including our "seasoned" seniors aged 103, 94, 94, 93 (names withheld because they look so young), joined hands and hearts to create 117 birthday cards for foster kids in the Happy Trails for Kids birthday program. The cards were the creative by product of the comradery and fun shared by everyone there. As usual, the smiles tell it all.

Knitting/Crochet Activities

Please note that the name of the activity has been changed to Knitting and Crocheting as many of the seniors want to join to create something in either discipline. Please tell friends that both are welcome and that there are projects which need both skills. It is amazing to see the creations that attendees bring in, that have been crafted over the course of the month. The club is again taking yarn donations if anyone has yarn that's not being used. Just bring it to the Senior Center with Caring Calabasas noted.

Braille Books for Children

There are 3 more spaces for the July 22nd Braille book activity. Please email Carol Davis if available from 10 a.m. - 2:30 p.m. (participants are needed the full time), first come first served. The club is excited to adopt this new activity to the rotation.

CLUB NEWS

CARING CALABASAS CLUB NEWS

Hang Out Do Good

The Hang Out Do Good Club is a new group Caring Calabasas is partnering with in August. It is headed by two students at Calabasas High School who network with food distribution charities that deliver brown bag lunches to homeless individuals. The initial activity is to decorate the brown bags the lunches are packed in, working side by side with the students. There is discussion of more involvement in the fall, during the school year, when the project is in full swing. Look out for a pop-up event to do the decorating. The club has bags, pencils and pens. Volunteers are welcome to bring markers or paint. The energy and hope for the future that interfacing with these smart and caring young people bring to the table is inspiring. Stay tuned!

Collections

Eyeglasses

The eyeglass collection is still scheduled for August. Glasses of any kind. i.e., prescription, readers, sunglasses for men women and children are acceptable. The Lions Club has a mission that redistributes them to optometrists who prepare and distribute them to worthy charities all over the world. Imagine not having access to glasses- the world would be a blur. Please plan to bring any old glasses to the Senior Center between **August 19 and 29**.

Clothing

Caring Calabasas is having a one-day event on a Saturday in December where a truck collects any gently used clothes of all kinds and sizes, including winter jackets, for an Indian Reservation in Arizona. Start cleaning out a closet and one drawer at a time and put things aside for this event. The feeling of getting the clutter out of the house is peaceful and the reservation is happy to receive the donations.

The date is to be announced soon.
