## CAMPAIGN CONTRIBUTION DISCLOSURE PROVISIONS

Cities are subject to the campaign disclosure provisions detailed in Government Code Section 84308.

**Please carefully read the following information to determine if the provisions apply to you. If you determine that the provisions are applicable, the Campaign Disclosure Form must be completed and returned to the City with your application.**

No City Councilmember or other City official shall accept, solicit, or direct a campaign contribution of more than \$250 from any party<sup>1</sup> or agent<sup>2</sup> for 12 months after the City approves a contract. This prohibition commences when an application is filed, or a proceeding is otherwise initiated.

A party to a City proceeding shall disclose on the record of the proceeding any campaign contribution of more than \$250 by a party or agent to any City Councilmember or other City official during the preceding 12 months. No party to a City proceeding, or agent, shall make a campaign contribution to a City Councilmember or other City official during a proceeding and for 12 months after the City approves a contract.

A City Councilmember or other City official who received a campaign contribution of more than \$250 within the preceding 12 months from any party, or agent, to a proceeding shall disclose that fact on the record of the proceeding, and shall abstain from participating in the proceeding. However, if he or she returns the portion of a campaign contribution in excess of \$250 within 30 days of knowing about the contribution and the relevant proceeding, he or she may participate in the proceeding.

\_\_\_\_\_

<sup>1</sup> "Party" is defined as any person who files an application for, or is the subject of, a proceeding.

<sup>2</sup> "Agent" is defined as a person who represents a party in connection with a proceeding. If an individual acting as an agent also is acting as an employee or member of a law, architectural, engineering, or consulting firm, or a similar entity or corporation, both the individual and the entity or corporation are agents. When a closed corporation is a party to a proceeding, the majority shareholder is subject to these provisions.

To determine whether you or your agent made a campaign contribution of more than \$250 to a City Councilmember or other City official within the preceding 12 months, you must aggregate all such contributions.
