Purpose:

To discuss the planning process and outreach conducted as part of the MJHMP Update

Agenda:

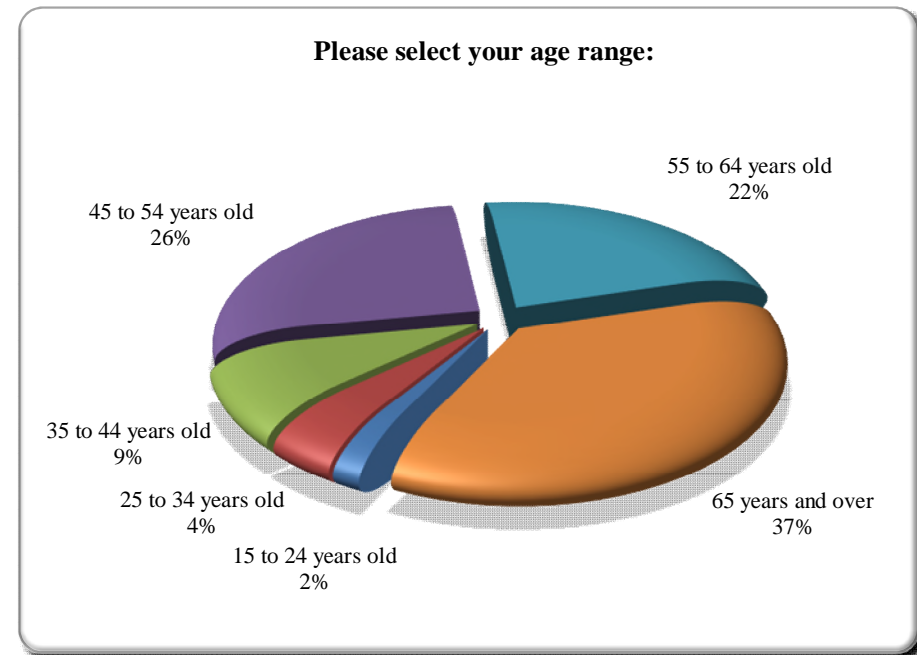

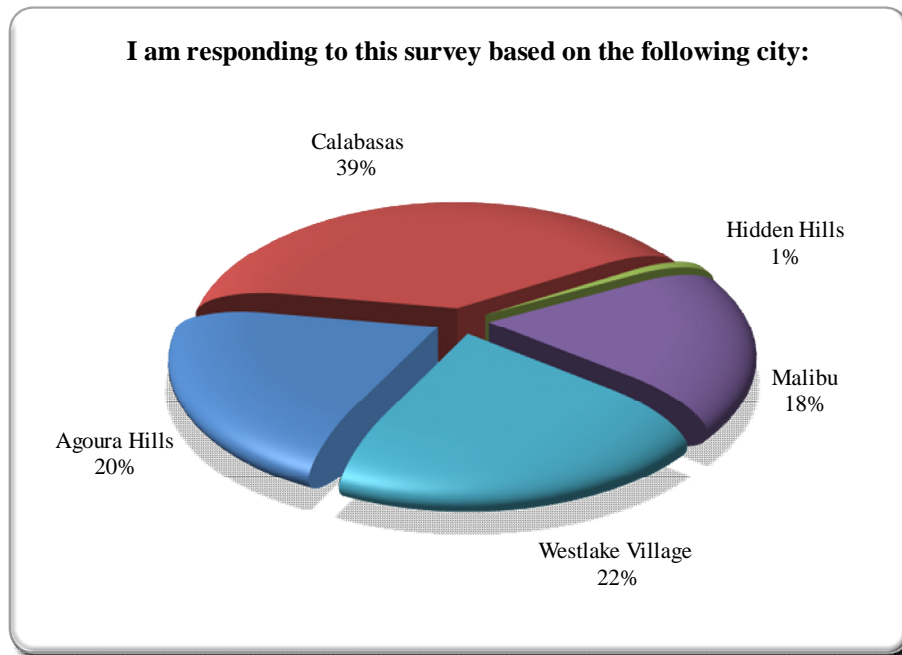

- Planning Process
- Outreach
- Approval Timeline
- Remaining Activities
- Q&A

- **Determine** latest HMP requirements and review prior to HMP
- **Research, gather, and analyze** data from city departments and agencies
- **Assign** tasks to planning group and conduct meetings
- **Conduct** community outreach (via Public Outreach Meeting and Survey)
 - Calabasas meeting conducted on Zoom on 11/7/23
- **Submit** HMP for Cal-OES, FEMA, and City Council approval
- **Document** City Council adoption in the HMP

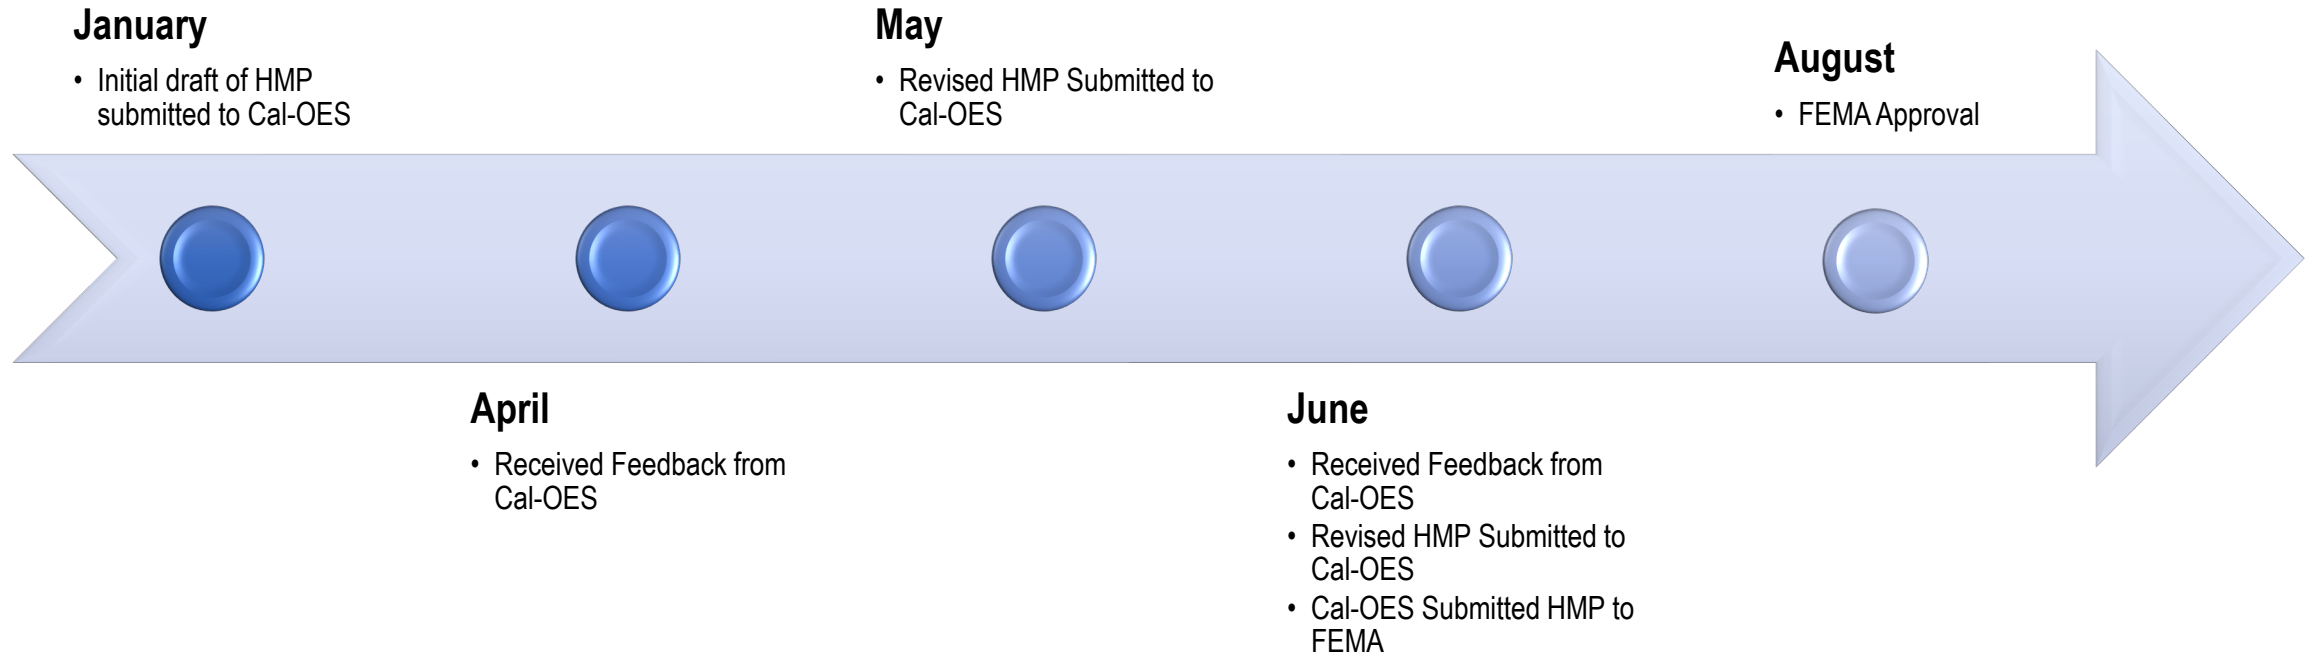

Public Community Disaster Preparedness & Risk Survey

- Purpose: Provide input on perceived risk, actual losses, and mitigation activities
- The survey was conducted online in August 2023
- Responses were obtained from each of the five LVMCOG cities
