TRAFFIC & TRANSPORTATION COMMISSION AGENDA REPORT

DATE: OCTOBER 16, 2024

TO: TRAFFIC AND TRANSPORTATION COMMISSION

FROM: TRA'A BEZDECNY, ASSISTANT ENGINEER
TATIANA HOLDEN, P.E., DEPUTY PUBLIC WORKS DIRECTOR

SUBJECT: APPOINTMENT OF STUDENT COMMISSIONER

MEETING
DATE: OCTOBER 22, 2024

BACKGROUND:

According to Chapter 2.36.020 of the Calabasas Municipal Code; The Traffic and Transportation Commission may appoint or reappoint a high school student lawfully resident in the City as a nonvoting commissioner for a one-year term.

DISCUSSION:

The Commission has no active student member serving the Student Member role. The City Clerk posted a notice of opening for a new Student Commissioner and one application was received by Staff for Isla Goldfarb. Staff reviewed the application and determined Isla meets the criteria to become a Student Member for the Commission.

Isla's Commissioner Application (Attachment A) shows her existing civic involvement with the Mayor's Youth Council and other community affiliations. At their May 7th Meeting, the Environmental Commission interviewed Isla for their Student Member Commissioner role and she spoke mostly about her interests in improving traffic and transit around school areas and promote active transportation for the community. The Environmental Commission selected other students for their open roles and recommended she serve on TTC, which she had already applied for on her original application.

REQUESTED ACTION:

To approve the appointment of Isla Goldfarb to the Student Traffic and Transportation Commission position.
