Explain in detail why the candidate is qualified (Please Print):			
I would like to submit this nomination form for an environmental award in recognition of Mary Sue Maurer's exceptional contributions to our community.			
Mary Sue served as a rotating Mayor and City Council Member for 17 years (2005-2020), during which she became a dedicated environmental steward. Her leadership was instrumental in establishing Calabasas as a model for environmental sustainability. She was passionate about initiating a Calabasas Climate Action and Adaptation Plan, a comprehensive strategy aimed at reducing greenhouse gas emissions, promoting renewable energy, and addressing climate change.			
Additionally, Mary Sue passionately advocated for the protection of wildlife habitats for mountain lions, coyotes, and bobcats, while also working to restore the Las Virgenes Creek. Her commitment to preserving open spaces is evident through her efforts with the Open Space Task Force.			
I believe Mary Sue deserves to be recognized for her unwavering commitment to enhancing and protecting Calabasas' environment.
