LEARN

In fond memory of two distinguished historians and an active Historical Society, the CLVHS established and maintains two special library reference collections that offer our communities information on the history of Calabasas, Las Virgenes and its local areas. Rare and out of print books about local history, oral tapes recording the memories of early residents and many photographs are featured at two locations.

These reference collections attract scholars, students, the
business community and the general public.

"We maintain historical resources to preserve
them, making them accessible to the community"

**WE LOOK FORWARD
TO SEEING YOU !!**
