The New Home Company will be holding a second
Community Forum to discuss a proposed 13 acre project on a 77
acre site located to the east of the intersection of Las Virgenes
Road and Agoura Road.

The purpose of this Community Forum is to inform
neighboring property owners, businesses and interested
community members about the nature
of the proposal and to seek your comments.
This is not a public hearing, and no decisions
concerning the proposal will be made.

We look forward to seeing you there.
